

American Steel Sales Up 21%, Income Up 44%

American Steel Foundries reported in Chicago yesterday that sales rose 21% and net income per common share increased 44% from a year ago in the six-month period ended March 31. Sales increased to \$58,843,282 from \$48,643,634, and earnings were \$3,561,474 or \$1.21 per share, up from \$2,179,815 or 84 cents. Earnings in the quarter ended March 31 were \$2,018,012 or 68 cents a share, compared to \$1,542,462 or 53 cents in the first fiscal quarter which ended Dec. 31. In the quarter ended March 31, 1959, earnings were \$1,678,645 or 64 cents.

Sales in the March 31 quarter were \$31,578,127, up from \$27,632,102 a year ago. "There was an improvement in the second fiscal quarter over the comparable quarter last year, and the first quarter this year, it was not as great as was expected," President Joseph Lannerman commented.

He noted that "nation-wide industrial activity did not increase in the March quarter to the very high level generally anticipated." But, he added, "The fact that the anticipated boom did not develop could have a long-term beneficial effect on the overall economy." He said ASP expects to report "good earnings in the quarter ending June 30 and Sept. 30."

Joseph Kinworthy, 71, Dies of Heart Ailment

Joseph Kinworthy sr., 71, of 4802 Kirkpatrick House, died of a heart ailment at 9:45 a.m. Wednesday in St. Elizabeth Hospital. He had been ill four years and in the hospital two weeks.

A native of Brava, Mo., Mr. Kinworthy moved to Granite City 53 years ago but spent brief periods residing in Salem, Mo., and in Alabama. He was a barber 35 years and owned a shop for a few years in the 1940's at 20th street and Washington avenue. His last place of employment was at Al's Barber shop, Nidringhaus avenue and State street.

He was a member of the Barbers Local 483 and was a world war I veteran. He attended the Faith Assembly of God Church.

Survivors are his wife, Mrs. Edna Kinworthy; six sons, Thomas, H. of Spear, Alaska, Ralph G. of Glen Carbon, Joseph Jr. of Palo Alto, Calif., Marvin L., Donald E. and Jonah Kinworthy all of Granite City; a daughter, Mrs. Sanford (Mary Edith) Cortina of Bad Kissingen, Germany; a sister, Mrs. Frank (Ollie) Humphreys of Cherrylee, Mo.; a brother, George Kinworthy of Wayneville, Mo.; 18 grandchildren and two great-grandchildren.

Funeral arrangements are given in today's obituary column.

Solomon Flaxbeard, 71, Dies of Heart Ailment

Solomon "Sol" Flaxbeard, 71, of 2813 Ralph street, died at home at 10:30 p.m. Monday. He had been suffering from a heart ailment five years.

A resident of Granite City 37 years, Mr. Flaxbeard worked as a millwright in the tin shop of Granite City Steel Co. for 31 years before his retirement six years ago. Until his illness he was also custodian for St. John United Church of Christ for 30 years and was a member of the church brotherhood. He was a native of Nashville, Ill.

Mr. Flaxbeard is survived by his wife, Mrs. Fred Flaxbeard; two sons, LeRoy Flaxbeard of Granite City and William Flaxbeard of Collinsville; two brothers, Henry Flaxbeard of Granite City and John Flaxbeard of Kansas City, Mo.; and four grandchildren.

Funeral arrangements are given in today's obituary column.

City Auto License Sale 'Good' In GC

Auto owners in Granite City are off to an early start in buying 1960-61 city auto license stickers, it was learned today from City Clerk A. L. Stevens, who commented the sale has been "pretty good."

The new windshield stickers become due on May 1, the start of the city's new fiscal year, and already the sale is nearing the 1000 mark. During the current 1959-60 year, more than 11,000 stickers were sold.

The advance sale began on Monday. Auto stickers cost \$3, and the fees for trucks varies according to the size of the vehicle.

What A Lifetime's Rx Are Worth

At today's prices, the prescriptions needed by the average person would cost about \$750—during his entire lifetime. A lot of money? It's less than a third the cost of a car that has to be replaced every few years. It's less than the cost of 2 or 3 vacations. Yet it buys a lifetime's worth of potent, health-giving drugs. That's why we say TODAY'S PRESCRIPTION IS THE BIGGEST BARGAIN IN HISTORY

Depot Disentangles Displaced Doe Dilemma

An errant 175-pound deer which strayed onto property at the Granite City Engineer Depot several weeks ago finally made an exit yesterday morning, and depot officials and conservation agents breathed a sigh of relief.

Apparently fully recovered from cuts received when she crashed through two plate glass doors downtown while eluding pursuers just prior to straying onto the depot grounds, the doe serenely made her exit through an open gate at the southwest corner of the depot at 10 a.m. Wednesday. She was last seen walking slowly southward.

Depot officials, taking no chances, quickly closed the gate lest their visitor should decide to return.

The deer had outwitted pursuers who had been attempting to catch and release her outside depot property for the better part of two weeks. Gates had been opened previously and conservation agents and personnel from the post's provost marshal's office had attempted to chase the deer out. But the reluctant doe ran past the open gates each time.

Conservation agent Mort Tibbets of Highland had been contemplating the use of a tranquilizer gun on the animal, but no one could get close enough to fire the dart which would have drugged the deer and enabled pursuers to release her outside the compound before she regained consciousness.

The gentle touch finally prevailed. Instead of chasing the deer, a depot guard slowly maneuvered her toward the gate Wednesday and the doe obligingly stepped out.

Record Earnings At GC Steel In First Quarter

Granite City Steel Co. earned \$4,321,000 in the first quarter of this year, or \$101 per share of common stock after deducting preferred dividend requirements. Nicholas P. Veeder, chairman of the board and president, said Tuesday after a meeting of the company's board of directors that this was 24% more than earnings in the first quarter of 1959 of \$3,485,000, or \$71 per share of common stock, based on the 4,282,418 shares outstanding as a result of the two-for-one split of Granite City Steel common stock last Jan. 22. The company's earnings in the quarter just ended were better than in any other first quarter in its history.

At their meeting Tuesday, Granite City Steel's directors declared a cash dividend for the second quarter of 1960 of 35 cents per share of common stock outstanding, payable June 15 to stockholders of record May 18.

The cash dividend for the first quarter was also 35 cents per share. The 35-cent rate is equivalent to 70 cents per share of the number of shares that were outstanding in 1959. Veeder said that Granite City Steel produced 335,000 tons of steel in the first quarter of 1960, shipped 309,000 tons, and had net sales of \$4,321,000. The company operated at 85% of its rated capacity and shipped at 105%. Veeder explained that 13% of the first quarter's shipments came from ingots and slabs purchased by customers from other steel producers and rolled at Granite City Steel because its mills have some excess rolling capacity.

Veeder said that the "steel situation has developed in many cross currents, but Granite City Steel should operate at better than the steel industry average during the second quarter of this year."

Resident Fined \$100 After Paying Tax

A Granite City man, employed as general manager of the Ehrhardt Tool and Machine Co., St. Louis, who was arrested last Friday for non-payment of Missouri state income taxes was fined \$100 and costs in the St. Louis Court of Criminal Correction Monday after he had paid over \$1400 in taxes for the years 1955 through 1959.

Charles M. Hawkins, who resides at 3117 Fehling road, told the Press-Record today that he paid the back taxes after being arrested, but was then taken to court, where Judge Louis Cornford assessed a fine of \$100 and sentenced him to a 60-day workhouse term and placed him on parole for two years.

Hawkins said he and his employer were at the Criminal Courts building in St. Louis for nearly two hours trying to arrange bail after he had been arrested. "They seemed to be confused as to whether my employer could put up my bond or if I must employ a professional bondsman," Hawkins said.

The company manager said he was given no opportunity to pay the back taxes before being arrested, although he said he offered to do so. The taxes amounted to \$1187 for the years 1955-58 and \$240 for 1959, including interest.

Hawkins was one of two area residents arrested under the Missouri law which requires residents of Illinois to pay Missouri state taxes if they are employed within that state. Both he and a Belleville resident pleaded guilty as charged, and neither are members of the Southern Illinois Citizens League, organized to fight the state tax and the St. Louis city earnings tax through the courts.

Calvin Lovvorn, 94, Dies This Morning

Coming From Behind, Coolidge Baseball Team Beats Cahokia

Scoring five runs in the sixth inning, Coolidge junior high baseball team came from behind to edge Cahokia Tuesday 7-5 on the loser's diamond.

The Braves combined singles by Jim Cavanaugh, Charles Papp, Harry Squires and Jim Proffit, a double by Bill Nieper and a costly two-run error by Cahokia to push across the five runs. Coolidge had trailed 5-0 going into the inning.

Cavanaugh paced the team with three hits, including a double, and Papp and Squires each had two safeties. Glen Hoffman and Terry Kofahl divided pitching chores for the Braves and allowed only six hits, with Kofahl retiring the last six men who faced him.

"The team played good ball except for defensive troubles," Coach John Tonoff said. Coolidge made 11 hits in the contest but committed four errors which gave the junior Comanches three of their five runs.

Triangular Track Meet Pits Madison Against Shells, Comanches Tomorrow

The Midwestern Conference defending champions and a squad which would like to win back the title after holding it for six years will pay a visit to the Madison high school cinderpaths at 4 p. m. tomorrow as the Trojans host Cahokia and Roxana in a triangular track meet which will inaugurate the host team's season.

Conference champ Cahokia and Roxana, the latter squad strong with 13 returning lettermen, boast several outstanding individual performers, while Charles "Buddy" Mueller's Greenmen as yet are untested in varsity action this season. The Trojans show promise in several departments.

Still not sure who he will call upon in several events, Mueller has a "very uncertain" list of performers available.

Included are Ken Griggs and Carl Drayton in the 100-yard dash, Griggs and Paul Czervinski in the 220, Jetterson Ed Walker in either the 440 or 880-yard runs and Ray Coleman in the mile.

Mueller listed no one in the 120-yard low hurdles, but Earl Ferguson is Madison's chief hope in the 180-yard high hurdles. Griggs, Carl Drayton, Fred Becker and Czervinski, not necessarily in that order, were named as probable members of the 880-yard relay quartet.

GCHS Lettermen To Face Faculty In Cage Game

The Granite City high school lettermen's club will sponsor a faculty vs. lettermen basketball game in the high school gymnasium Thursday, April 28, at 8 p. m. Dick Yates, director of athletics and faculty sponsor of the organization, has announced. Proceeds from the game will go toward purchasing a sports marquee in front of the school or a new trophy case, Yates said. Admission price will be 50 cents.

Against Shells, Comanches Tomorrow

where Madison was hurt when promising Ulysses Foster dropped from the squad. Ferguson, Walker and Bob Eli are three of the four mile relay team members, with the fourth to be decided upon shortly before the event is run. Mueller said. Other first choices by the Madison cinder coach are Walt Cooper in the high jump, Becker in the pole vault, Griggs in the broad jump, Norm Stawar in the shot and Wally Weidner in the discus.

Both visiting squads have outstanding short distance men. Ogle Thomas can call on Mike Eldson in the dash and hurdle events for Roxana, while Cahokia's Earl Lee looks to Claude Gardner in the 100 and 220 and as anchor man on the Comanches' 880-yard relay outfit.

The Shells' Leonard Chalmers could be the meet's top performer in the 880 and mile, and teammate John Angleton, who tossed the discus over 145 feet in competition earlier this year, is favored in this field event.

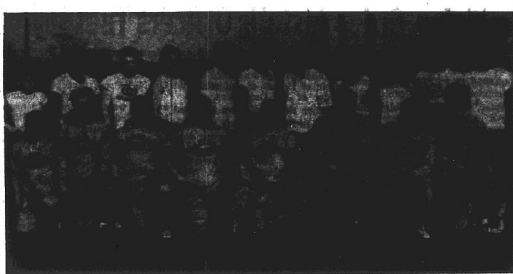

Mueller said the Madison track is in good shape, making it possible for some improved times in a number of the dashes and distance races, provided no appreciable wind is blowing.

Triplicates By Two Bowlers In Same Loop

at the church's five-acre tract at St. Clair and Dale avenues. The parsonage will face St. Clair avenue and will be directly east of the new church building.

The contract for the new parsonage was awarded to John Papp, general contractor, who submitted the low bid of \$21,000. The new parsonage will be faced with brick veneer, will contain living room, dining area, kitchen, three bedrooms and bath, a separate guest bedroom with bath, full basement, and two-car garage. One-half of the garage area will be used to store church equipment, lawn mower and the like.

Work on the parsonage is to begin immediately and should be completed within four months. The congregation's former eight-room, two-story brick parsonage at 2150 East 24th street has been sold and will be vacated upon completion of the new.

The congregation had been studying plans since last May and after evaluating all of them very carefully agreed on the one described above. Members of the special committee preparing the plans and specifications included, Rev. O. T. Potter, James Corbin, Rudy Diak, John Petrovich and Charles Gilmore. The plans were drawn by Corbin.

Miss Blaylock Candidate For 'Miss Illinois' Title

The Granite City Junior Chamber of Commerce has chosen 20-year-old Beverly Blaylock, daughter of Mr. and Mrs. James Blaylock of 3214 Wabash avenue, to represent the city in the "Miss Illinois" pageant in Mount Vernon June 3-4.

Miss Blaylock, the Press-Record's successful candidate for the title "The Greater St. Louis Sheen" when the film "Solomon and Sheba" was premiered in St. Louis last December, will be championed at the pageant by Mrs. Hannah Kleinschmidt and escorted by a member of the local Jaycees.

A successful model currently employed as office manager at the Tri-City Regional Port Authority office, the five-foot, four-inch 110-pound brunette will carry the title "Miss Granite City" into the state pageant.

Other beauty titles which she has won include "Miss Waterways Journal of 1950," "Miss Marine Corps of 1960," "Miss Bond Drive" for the Armed Forces Day parade in St. Louis and "Miss Chase Hotel" for the National Press Photographers pageant in St. Louis on May 27.

Dr. Rode Chosen TB Group Vice-President

Dr. A. H. Rode of Granite City was re-elected first vice-president of the Madison County Tuberculosis Association at its annual meeting Monday night at Wood River. Warren Stookey of Roxana was elected president.

Eight members of the executive committee, including Dr. Rode, H. Theis of Granite City, and 12 members of the board of directors were also re-elected at the dinner-meeting.

Sixty-eight members of the association heard principal speaker Dr. Raymond McAllister, pastor of the Webster Groves, Mo., Christian Church, tell them "How To Stay Alive" by laughing, reading, increasing friends and possessing unlimited vitality.

A financial report presented at the meeting showed total received in the Christmas Seal Campaign was \$39,430 and disbursements was \$35,057 for last year, including \$678 for health, \$17,765 for case finding, \$3961 for administration, \$4002 for the seal campaign and \$551 for social security.

The x-ray report for last year revealed that \$504 were given through community service and 13,674 x-rays were given at various industrial plants throughout the county.

This year's survey will begin May 2, and the mobile x-ray unit will be in the Quad-Cities starting May 27 at the Bellemore Shopping Center for two days from 9 a.m. until 12 p.m. and 1 to 5 p.m. On June 3 x-rays will be given at the Venice city hall from 9 a.m. to noon and at the city hall in Granite City from 9 a.m. to noon and 1 to 5 p.m. The last appearance in the area will be on June 11 when the unit will be at 516 Madison avenue in Madison from 9 a.m. to 12 noon.

Auto Hits Barricade

Traveling south on Madison avenue during last night's heavy downpour of rain, Harold E. Canada, 45, of Collinsville, crashed his auto into a dimly-lighted barricade near 20th street. A wheel of the car was badly damaged as it struck the excavation, but the driver escaped injury, according to police. Canada said the car in front of him made a quick turn into a service station and he did not see the work project.

Community Coach Offers Changes In Two Routes

Elimination of one right turn may result in extensive re-routing of the McKinley Bridge and East Granite busses of Community Coach Co.

The proposal was presented to the Granite City council Monday night and is currently under study. The city had asked the bus company to eliminate on its East Granite route a right turn off Madison avenue onto 27th street in order to reduce traffic congestion and halt damage to the curb and sidewalk on the northwest corner.

Under the proposal, which would be subject to approval by the Illinois Commerce Commission if accepted by the city, the East Granite route would be shifted from 27th street to 26th street and the McKinley Bridge route would be expanded to provide service along 27th street between Benton street and State street.

Council members offered no criticism of the plan during the initial discussion, and agreed to give it more study.

The East Granite bus, traveling south on Madison avenue on its return to the downtown district, would turn right at 26th street and cross to Delmar avenue, where it would turn south. The McKinley Bridge bus route would be extended from its present turning point at 23rd and Benton streets, north on State street and south on State street. The 23rd street stop would be served by "clipper" buses during rush hours.

Sections of the East Granite route which would be eliminated would be along 27th street between Madison avenue and State street, and 25th street between Benton street and Delmar avenue.

Girl, 9, Faints After Receiving Police Shot

A Frohardt School third grader who had just received a police inoculation was rushed to St. Elizabeth Hospital Tuesday afternoon when she suddenly lost consciousness as she was riding in a homebound bound car driven by her mother.

Driving on Delmar avenue 10 minutes after leaving the doctor's office, Mrs. Robert Brave, 2311 Sheridan avenue, suddenly lost consciousness in the front seat. Frightened, Mrs. Brave stopped

the car and rushed to the nearest home, which was the residence of Mr. and Mrs. John Boetto, 2258 Delmar avenue, and called an ambulance.

The youngster was revived at the hospital. According to the family doctor, the unconsciousness was caused when tension nerves brought about a state of emotional shock after she received the inoculation.

Thomas Shafer, one-year-old son of Mrs. Margaret Shafer, 2311 Sheridan avenue, was bitten on the face by a neighbor's dog and received treatment at the hospital. The wounds were cleaned and he

TO THE CITIZENS OF WEST GRANITE:

Who casts the ballots in West Granite?

WALTER NONN says: "Calvo, I'll bury you in West Granite." Mr. Nonn has also said that I can count the votes I'll get in the judicial election in his precinct on my hands.

My reply to Mr. Nonn is that I don't believe he votes for the good citizens of West Granite; and this, Mr. Nonn, is the reason I have attempted to meet the people of West Granite and have asked them to help me defeat the Nonn-Schuman city judicial ticket.

Remember — vote April 30, 1960 — show Nonn and Schuman you do your own voting.

GC Man Charged With Beating Depot Soldier

A \$5000 bond was set yesterday for Richard Niehaus, 25, of 2023 Russell street, charged with assault with a deadly weapon — a blackjack — on a Granite City Engineer, Depot soldier who is reported to be in serious condition in Barnes Hospital, St. Louis, suffering head injuries.

The complaint was filed by Janice Coleman of Indiana, sister of the hospitalized soldier, Pfc. Robert Allen, 24, of Mohawk, Va. Niehaus was taken into custody Tuesday afternoon by county authorities and local police and booked at the Granite City police station. He waived a preliminary hearing before Police Magistrate Gasparovic and the case is to be presented to the grand jury.

The incident reportedly occurred on March 27 in the rural area along Route 162 east of Granite City.

4 Distributor License Arrests By GC Police

Four delivery truck drivers were arrested yesterday by Granite City police on charges of operating here without city distributor licenses.

Three paid fines of \$5 and bought distributor tags, while Douglas Rhodes, driver for Yellow Transit Freight Lines, St. Louis, posted \$11 cash bail.

The truckers fined were Franklin J. Draude, driver for Aro Dairy Co., St. Louis; Albert Heidorn, driver for Glasco Electrical Supply Co., St. Louis; and John Becker, driver for Carson, Fiske & Scott Co., St. Louis.

Charged With Speeding

Richard Dawson, 22, of 2028 Madison avenue, was arrested early today by Granite City police on a charge of speeding 60 miles an hour in a 30 mph zone at 23rd and Monroe streets. He posted his driver's license as bond.

NONN SAYS CALVO TRIED TO HIRE HIM TO FORUM

Granite City Press-Record
Granite City, Illinois
Dear Sir:

After reading Mr. Calvo's article to the West Side People, I feel that an answer is in order. I feel that the people of Granite City should know the truth. Mr. Calvo's associates in this election tried to hire our group of people to work for him, and offered us any amount of money I might name. Their offer was refused. Our workers felt that the office of City Judge should not be placed on the auction block and sold to the highest bidder. It is an honorable and respected office demanding a lawyer of wide experience and moral integrity who will conduct the court fairly and impartially for all the people and not for only a few lawyers who want to control the Court.

Why has Mr. Calvo attacked me, Walter Nonn? I am not running with the City Court. I am attacking a cover-up of his own shortcomings? If we had taken his money and supported him, he would not be attacking me. Why did not Mr. Calvo tell the people the true reason why the Court had no sessions for six months in 1950? He knows that the Court was being remodelled and air conditioned during that time and could not be used. Mr. Calvo has stated that he has a small practice and will devote his full time to the office. Do the people of Granite City want an inexperienced lawyer who admits he has not been successful for their City Judge? Why doesn't Mr. Calvo tell the people whose money he is being used to finance his election? Why doesn't he tell the people that a former School Board attorney is sponsoring him and that instead of hundreds of dollars which he spent to help elect School Boards he is now spending a great deal more to help elect him? It is it that they will get preferred settings and treatment?

In closing I have no apology for being for Judge Schuman. I have nothing personal to gain other than any other citizen who wants a good, honest, fair and capable City Judge. Judge Schuman has proven that he is that kind of judge and I highly recommend him to the people of the 5th Ward of Granite City.

If Mr. Calvo wishes me to tell who solicited my Ward's support, he may do so by asking me to tell the Press-Record.

Yours sincerely,
Walter F. Nonn

GOLFER SEEKS HELP IN GETTING COURSE HERE

Editor of the Granite City Press-Record.

Golf season is here again! What does this mean to the golf players of the Quad-City area? Speaking for myself and several hundred others who enjoy this outdoor sport, here are the facts: We go across the river to Missouri, go to Alton, Illinois, East St. Louis, or (last resort) Collinsville.

The first choice is Alton, Illinois. Why Alton? This is an easy question to answer — there are three (3) golf courses available for players who can't afford membership at a private club. (Alton also has a private club. It is an honorable and respected office demanding a lawyer of wide experience and moral integrity who will conduct the court fairly and impartially for all the people and not for only a few lawyers who want to control the Court.)

I would like to direct two lawyer of wide experience and moral integrity who will conduct the court fairly and impartially for all the people and not for only a few lawyers who want to control the Court.

I want to make a direct appeal to the golf players of this area: will you do your part in helping to secure a golf course in the Quad-City area? Mail a post card or telephone TR. 7-1665.

SAYS MUDGE DESERVED MORE SUPPORT THAN RECEIVED

To The Editor:

Four years ago the Democrats of Madison county nominated Dick Mudge of Edwardsville for State's attorney. He had fought a sharp, hard-fought campaign on the issue of gambling, politics and government. He promised to see that the law, including that with respect to gambling and vice, would be enforced. At that time Madison County was notorious as a gambling and vice area on the east side. Organized gambling was the main source of political campaign funds and consequently had a large voice in law enforcement or the lack of it.

Many people who did not know Dick Mudge greeted his nomination and subsequent election with a skeptical born of experience. In Madison County, reformers only reformed until they got their own foot in the door.

Dick Mudge, however, was something new, or at least long

Standing (left to right): Carol Crutcher, Linda Thelwell, Joan Plesse, Jeanette Skubish, Carol Kestel, Ida Gultior, Anita Boyer, Carroll Bealer, Gloria Ziala and Carol LaMacchia. Seated (left to right): Janice Cardner, Mary Ellen King, Warren Nash, Diana Ferro and Chris Karandjeff. Kneeling (left to right): Elmo Robb, Judy Rollins and Sharon Moberry. Not present were Raymond Taylor, Ronald Randall, Emily Deniff, Shelle Graham, Sandy Coleman, Sue Werth, Nancy Bischoff, Elaine Dineff and Ruth Schroeder.

missing from our political scene. Against all odds he stood like a rock on his oath of office and the laws of the state. The "green light" did not flash after an appropriate period of grace. The green light did not flash at all — for organized gambling or for country club "slots" or for anything outside the law.

In last week's primary, the people — at least the Democrats — had an opportunity to express their appreciation and approval of Dick Mudge's almost single-handed transformation of Madison county's political-moral atmosphere. Few people realized how fragile the mantle of reform was and how much its continuation depended on his re-election. I read the returns with a sinking feeling. There was no indication of widespread appreciation or strong endorsement of what this man had fought for and accomplished.

The issue in this election was simply approval or rejection of reform. It seems to me a vote against Mudge was a vote against the type of good government he has stood for and fought for.

Reading the returns makes me wonder about the strength of our capacity for self-government. When so many of us find difficulty seeing such simple issues clearly, how are we to handle more insidious and subtle propaganda — as for example, that of communism?

When we intend to take a trip, we buy a road map. Nearly every one owns a Bible; we are told this world is not our home, we are only traveling through it. If people would read just ten chapters of the first book of the Bible, they will find thousands of years were in these ten chapters, they will find thousands of years were in these ten chapters, they will find thousands of years were in these ten chapters.

Many people who did not know Dick Mudge greeted his nomination and subsequent election with a skeptical born of experience. In Madison County, reformers only reformed until they got their own foot in the door.

Jehovah's Witnesses Convention On Weekend

William E. Thumre, 2815 Pershing avenue, an assistant minister and Bible study conductor in the Granite City congregation of Jehovah's Witnesses, will be one of the speakers at a three-day convention to be held in Alton over the weekend.

Thumre will speak at the Sunday morning session of the gathering at Alton senior high school on the topic "Peaceful Proclaimers of Good News." A native of Des Moines, Mo., he has been a resident of Granite City for 35 years and a minister since 1952.

The regularly scheduled meetings of the local congregation at Kingston Hall, 1128 Madison avenue, have been cancelled for the remainder of the week so that the members will be free to attend the convention. The regular schedule of services will be resumed next week, beginning with the weekly Bible studies at 8 p.m. Tuesday.

The main feature of the convention program will be a public address at 3 p.m. Sunday on "Finding Peace in This Troubled World," by Angelo C. Manners Jr. from the Watchtower Bible Tract Society, who will be the convention chairman. He will be assisted in directing the activity of the 900 or more delegates expected by Victor Munsavage, Circuit director of ministers for Illinois Circuit 6.

Auto Hits Switch Engine, Motorist Is Arrested

A motorist who crashed his auto into a 35-ton diesel switch engine at the 19th street crossing of Union Starch & Refining near the West 20th street intersection, was arrested yesterday morning by Granite City police and charged with reckless driving.

He was Harold Price, 38, of 2140 Illinois avenue.

Police said Price drove his auto into the side of the plant's switch engine as it was being operated across 19th street by Ed McKenna, 2447 Illinois avenue. No injuries were reported.

Price was later freed on \$50 cash bail.

Men go wrong because they aren't satisfied where they are.

Fashion Parade Features Models From Steel Office

Spring and summer fashions were featured Tuesday evening at the monthly dinner meeting of the Granite City Steel Women's Association in the company's new general office building downtown.

Approximately 90 members and guests were on hand for the "Parade of Fashions" in which 12 members of the Association served as models. The apparel was furnished by Helman's Style Shop, and the commentary for the show was given by Howard Helman.

The models showed two outfits each. The show featured party dresses, casual wear, sportswear and a bathing suit. The models were Miss Mary Alice Burich, Mrs. Ruth Crane, Miss Virginia

Hacker, Miss Betty Hinson, Mrs. Ethel Mueller, Miss Diane Nemeth, Mrs. Marilyn Parker, Miss Norma Prengel, Mrs. Jacqueline Raina, Mrs. Helen Redfern, Mrs. Florence Riedle and Mrs. Gay Rosch.

A short business meeting was held preceding the show with Mrs. Shirley Holton, vice-president, in charge.

A spring theme was used in the table appointments, including josselyn in bud vases and nut cups in pastel color with tiny paper umbrellas attached. A centerpiece of spring blossoms adorned the head table. Guests present included Mr. and Mrs. Mortis Helman, Bernard Helman, Cora Mae Bent and Mrs. Margie Norwood.

Picnic, Poison Control Topics Of Marshall PTA

A committee to plan the annual school picnic was appointed Monday night at a monthly meeting of the Marshall school Parent-Teacher Association by Jim Hasty, president.

Mrs. Rose (Mopk) reported a \$194 balance, with \$60 made at a recent bake sale and \$18 from sale of shirts. Principal Mary Hopkin announced a total school enrollment of 547.

The unit re-elected Mrs. Mopk as treasurer for next year. It was announced that safety patrol boys and girls will be guests at a baseball game in St. Louis May 21.

Matthew Sarich, a representative of St. Elizabeth Hospital, showed a film, "One Day's Film," which was the first showing of this film in this area. It deals with poison control and recommended emergency treatment if a poison is taken accidentally.

Six UPW Circles Hold Meetings Tuesday

The United Presbyterian Women's Circles of First United Presbyterian Church held their April meetings Tuesday. Six of the seven circles met at homes and at the church to continue the study programs for the year. Sessions and discussions were prepared from the Bible study book, "Hymn Book of the Ages," and the mission study book, "Consider the Church."

Circle Seven will hold a meeting this evening in the home of Mrs. Jack Malone with Mrs. Charles Borden as hostess.

Circle One met at the home of Mrs. Robert Martin with 12 members present. Mrs. H. E. Luenden was the leader and welcomed Mrs. Eugene Coe, a new member. Devotions were by Mrs. Fred Werner and the Bible lesson was by Mrs. A. C. Stover. A combined meeting of Circles Three and Four will be held in May at the home of Mrs. Della Pauly with Mrs. W. W. Bowers of Circle Four as co-hostess.

Mrs. Frank Koetter was hostess to Circle Two at her home. The morning was devoted to the Mission Study book with reviews given by Mrs. M. E. Steele, Mrs. Richard West, Mrs. Leonard Cuchna, Mrs. James Henderson and Mrs. George Holtzsch. A discussion period followed. Ten members and a guest, Mrs. Phil Sheridan, were present. The May hostess will be Mrs. Henderson.

The home of Mrs. E. E. Veith was the place of meeting for Circle Three with 14 present, including a guest, Mrs. David Maxton. The Bible study was by Mrs. E. L. Ackerman and devotions and the mission study book were given by Mrs. Rex Niles. Mrs. Dan Chelander, circle chairman, presided over the meeting. Mrs. Otto Grose will entertain the group in May.

Mrs. Milton Allen, chairman, presided over a meeting of Circle Four at the home of Mrs. Cleo Evans with 10 attending. Mrs. Ada Bowen gave the opening prayer and a short business session followed. Mrs. W. G. Cusley led the devotional service and also presented the Bible study.

An afternoon meeting of Circle Five took place at the church attended by 18 members. Mrs. L. L. Elberhage and Mrs. James Gardner were co-hostesses. Mrs. Herbert Dudenbostel, chairman, presided and greeted two new members, Mrs. Ott Malmberg and Mrs. Nettie Conary. Devotional and Bible study were led by Mrs. Dudenbostel and Mrs. Joseph Cox led the mission study. A guest at the meeting was Mrs. Willard Bailey of Philadelphia. Hostesses in May will be Mrs. George Malt and Mrs. E. J. Wade.

Mrs. Alfred Smith entertained 12 members of Circle Six in her home Tuesday evening. Mrs. James Fox, Association president, was a guest and Mrs. Jess Hastings presented the Bible study lesson. Devotional was by Mrs. William Montgomery and Mrs. Beryl Nyboer, circle chairman, gave the mission study in May.

LOCAL MEMBERS ENTERTAIN AT BANQUET OF SALON 53

Miss Dorothy Hinson of Madison was in charge of the entertainment as Madison County Salon 53 of the Eight and Forty held its annual banquet Tuesday evening in Alton, honoring the departmental chapeau, Mrs. Thelma Phelan of Lincoln, Ill. Miss Fannie Allrich was in charge, and 24 members were present.

"Sailing with Phelan" was the theme, and all decorations and favors pertained to sailing. Each lady was presented with a lei and a sailor cap. A comic style show was presented by the county group, and a minstrel show and melodrama were given by the Quad-City group.

Mrs. Phelan was presented with a gift, and guests introduced were the secretary-treasurer, Mrs. Hazel Rogers of Lincoln, the past departmental chapeau, Mrs. Sally Finley of East St. Louis, and Mrs. Zella Ulrich of Hammond, Ind. Others from the Quad-City area attending were Mrs. Hilda Means of Granite City, Mrs. Estelle McBrien, Mrs. Hazel Hinson, Mrs. Kathryn Felch, and Mrs. Helen Merz, all of Madison, and Mrs. Frances Cowley of Venice.

RETURN TO INDIANA
Mr. and Mrs. Roger Braden and children, Lanny, Carol and Barbara, of Munster, Ind., returned to their home Wednesday after several days visit with Mr. Braden's parents, Mr. and Mrs. J. J. Braden, 2500 Delmar avenue. Additional guests at an Easter dinner party in the Braden home were Mr. and Mrs. J. R. Parnley and children, Jeffrey, June and Robbie of this city.

VACATIONISTS RETURN
Dr. and Mrs. L. L. Grask, 2512 Benton street, have returned from a fortnight's vacation in the West Indies.

PAMELA JO STANFILL HONORED ON BIRTHDAY

PARENTS BOARD OF DIRECTORS MEETS

The board of directors of Padfield, Inc., met Monday evening in the home of Mrs. Eunice Heller, 1628 Clark avenue. There were 12 board members present, and Francis McBride, president, conducted the meeting.

Resignation of Mrs. Irene Love, secretary, was accepted, and McBride introduced Miss Dolores Bourisaw, who was appointed to fill the vacancy. Lewis Sabin and Homer Johnson gave financial reports and announced that 1860 dues permits will be numbered. Emblems have been ordered to sew on swim suits, and parents may have them at a nominal fee. Children whose suits bear these emblems will not be required to show a pass.

Mrs. Donna Hogan, vice-chairman in charge of membership, reported there are two member ships open, but that applications are still being received. When the full quota is reached, there will be no more issued by Padfield. However, some members who have moved may wish to sell theirs and applicants will be given this information. New members accepted at the meeting were Don Jolly, Arthur Frazier and Frank Grady Jr.

Paul Morris, chairman of operations, announced that manpower is needed, and any member who can donate a few hours may call him. The driveway and parking grounds are to be enlarged, and painting is to be done. Some carpentry work is needed on the concession stand and office area.

Present were Ralph Schmidt, McBride, Johnson, Morris, Rich and Pittenger, Mrs. Hogan, Mrs. Hagler, Sabin, William Russell, John Borgard and Mrs. Vynne Durbin. The next meeting will be May 10 at the pool.

PINK AND BLUE SHOWER

HONORERS MRS. HAZEL REES, Mrs. Peggy Hackney, 1717 Ferguson avenue, was honored with a pink and blue cradle shower Monday evening in the home of Mrs. Eileen Miller, 2309 Paul avenue. Mrs. Norma Jean Ross was co-hostess.

A huge old-fashioned cradle decorated in pink, white and blue was used by the hostesses to hold the shower of gifts presented to the honoree.

Games were played, with Mrs. Lucille Lipe, Mrs. Mabel Thomas, Mrs. Jane Harmon and Mrs. Shirley Brown as winners. Small gifts were presented to all the guests in lieu of favors and also as consolation prizes for non-winners of games.

A late dessert course was served. Others present were Ike Lipscomb, Mrs. Mary Lou Lybarger, Mrs. Mary Ann Thomas, Mrs. Lotitia York, Mrs. Mary Lou Irie, Mrs. Helen Rickets and Mrs. Estelle Rekowaki.

Mrs. and Mrs. Wilbert Brown and daughter, Cathy, of Thorngate Acres spent the Easter holiday in Staunton, Ill., visiting their parents, Mrs. Mayne Brown and Mr. and Mrs. Clement Castagna.

ISABEL BEVIER UNIT OFFICERS MEET

Officers of the Isabel Bevier unit of the Madison County Home Bureau met Tuesday afternoon in the home of Mrs. Vynne Durbin, 1644 Venice avenue.

The special meeting was called to make plans for the program for a district meeting to be held May 4 at St. John United Church of Christ. Group singing is planned, and also slides of a tour of Japan by members' daughter. Plans were made for a luncheon to be served by the unit members at an auction sale Saturday at a farm near Edwardsville.

The next meeting of the unit will be April 28 at the home of Mrs. Hazel Pell, 3237 Fehling road.

PRESBYTERIAN PASTORS ENTERTAINED BY MARCUMS

Rev. and Mrs. Calvin Marcum entertained Presbyterian ministers of this area at an afternoon Easter luncheon Monday in their home, 4062 Vesci avenue. Mrs. Marcum used an Easter theme in her decorations and large Easter lilies on the dining room table. Those present were Rev. Ruth, Rev. and Mrs. Vynne Durbin, daughter, Debby, Rev. and Mrs. Dave Maxton and daughter, Ruth, Rev. and Mrs. Bill Montgomery and the Marcum children, Gwen and Donald.

HOLD EASTER EGG HUNT

Mr. and Mrs. Richard Rees, Rural Route Two, held an Easter Egg hunt for the smaller children of their families Sunday afternoon. Each child was given an Easter basket and proceeds to fill it with colored eggs and candy hidden on the grounds.

The children were Dale, Paul and Scott Stettmeyer, Kevin and Karen Melchior, Keith and Jeanne Melchior and Terry parents, Mr. and Mrs. James Lynn Hawkins. The hunt was preceded by a dinner in the Rees home for Mr. and Mrs. John Perry Hawkins, Mr. and Mrs. Allen, Mr. and Mrs. Robert Gibbons, Mr. and Mrs. Gerald Steimeyer, Mr. and Mrs. Charles McGhee of St. Louis, Mr. and Mrs. Ashton Melancon, Mr. and Mrs. George Durbin Jr. and Mr. and Mrs. Charles Hawkins.

FAMILY DINNER

Maryville Road Parents Elect, Hear Chorus

Selection of officers for the 1960-61 school term was held Tuesday evening by the Maryville road school PTA at a regular meeting.

Kenneth Gleason, president, was re-elected as president, with Richard Smart elected as vice-president. Mrs. Calvin Marum, secretary and Mrs. Robert Stone, treasurer.

Gilbert Gilliland, program chairman, gave yearbooks to the PTA members. Plans were made for the school picnic at Willow Park, and Richard Smart was appointed as chairman of the committee, with the date to be announced later.

A "movie night" for the children was discussed, and a committee will be appointed later to set a date and select the film. An auditing committee consisting of Derwood Bono, Lavern Flanagan and Richard Hausaus was appointed by the president. Mrs. Richard Hausaus announced that a discussion of the school problem will be held at the next meeting.

A program was given by the Mothersingers under the direction of Owen Humphreys, principal of the school and director of the chorus group. The group sang "I Believe," "I Wish I Was," "When Day Is Done" and "The Hymn of the Republic." The room prize was given to Mrs. Beverly Snedeker's fifth grade students for the most parents in attendance.

Hostesses for the evening were the third grade room mothers. The next meeting will be May 17, when the officers will be installed.

PTA Past Chiefs Meet At Conary Home

The Past Chiefs Association of the PTA met Tuesday evening in the home of Mrs. Nettie Conary, 2521 Edison avenue.

Mrs. Neil Hutcheson, vice-president, opened the meeting with prayer and Mrs. Olivia Lehman, president, was in charge.

Fifteen members were present and prizes were won by Mrs. Hutcheson, Mrs. Magdelin Dick, Mrs. Martha Montague and Mrs. Evelyn Massey. A special award was made to Mrs. Leola Arbogast.

JOINT INSTALLATION PLANNED BY DAV

The DAV Auxiliary met last night and made plans for a joint installation with the DAV Unit April 30 at 8 p.m.

Mrs. Irene Niehaus, commander, was in charge at the meeting, and prizes were won by Mrs. Helen Miller, Mrs. Niehaus, Mrs. Mary Knight, Mrs. Della Johnson, Mrs. Dorothy Best and Mrs. Laura Flach.

A manufacturers party conducted by Mrs. Mary Flinn was a feature of the evening, and the special award was made to Mrs. Knight. The next meeting will take place May 4.

HONORED BY CLUB. Miss Morena Groshong and Miss Margaret Beard, who were selected as "Members of the Month" for March and April by the Quod-City Business & Professional Women's Club.

B&PW Club Presents Awards To Two Members Last Night

The Quod-City Business and Professional Women's Club honored two of its members "member of the Month" last night at a dinner meeting at the YMCA. They were Miss Margaret Beard, the April member, and Miss Morena Groshong, the March "Member of the Month" who was unable to be present at the earlier meeting.

Miss Beard has been an active member since 1936. In 1954 she served as president of the club and has just recently completed a term as president. She has also served on the board and has held chairmanships during her 24 years in the club. She resides at 2124 Delmar avenue, and is a teacher of Spanish in the City high school. She plans to retire from the school system at the end of the school term. Miss Beard is a member of First Presbyterian Church and of other local organizations.

Miss Groshong has been an active member of the club since 1944. In 1947-48 she served as president of the group and has also served as chairman of District Nine. In addition to these offices she has held several chairmanships of various committees, as well as a board member. She is a teacher in the Venice high school. Miss Groshong resides with her mother at 2240 Waterman avenue. She is active in the Nameoki Methodist Church and a member of other local organizations.

Both honorees were presented with corsages and certificates by the club president, Mrs. Dolores Allen, in recognition of their faithfulness and interest in promoting the club's aims and projects.

The meeting opened with the club collect read by Mrs. Ann Acquaviva, and Mrs. Allen presided.

Candidates for the offices of city judge and city clerk were introduced and an invitation was read from the Protestant Welfare Association to attend.

Mrs. Rapoff To Head Jr. Service Club In Madison

Also elected were Mrs. DeLoyle Rhoads, first vice-president; Mrs. Julia Volaski, second vice-president; Mrs. Josephine Georgeff, third vice-president; Mrs. Jeanette Tritani, recording secretary; Mrs. Evelyn Blatner, corresponding secretary; Mrs. Charlene Burns, treasurer; Mrs. Hilda Gravelle, two-year-board member; and Mrs. Helen Daley, one-year-board member. Mrs. Nicholas will be a federation officer from the Madison club.

Arrangements were made for a dinner dance and a federation luncheon, both to be held in May. Proceeds from the dinner dance May 7 at Augustine's, Belleville, will go to aid retarded children. The same restaurant will be the scene of a luncheon at 1 p.m. May 21 from the Granite City, Madison, Venice, Edwardsville and Staunton clubs, with the Belleville club as host.

Mrs. Mary Stanfill, president, conducted a business session and donations were made by the members for the Easter seal and multiple sclerosis drives. Reports were given by Madamette Miller, Dorothy Gitcho and Volaski.

The hostesses, Madamette Gravelle, Rhoads, Gitcho and Cienalla.

Sorority Honors Four Members

Beta Phi Chapter of Epistol Sigma Alpha held a banquet at the Cow Shed in East St. Louis last night with 24 members in attendance.

The tables were centered with blue candles and yellow jonnalis and on the head table was an arrangement of blue and yellow flowers.

The names of "secret pals" were revealed and new names were drawn.

Several of the group were honored. They were Miss Juanita Bell and Mrs. Perma Boyer, ten-year members and the only remaining charter members; Mrs. Mildred Clements, who attended all business meetings since affiliating with the group eight years ago; and Mrs. Rosalie Buente, the second member of the chapter to hold a state office. All were presented with gold jonnalis pins on which were crests.

Games were enjoyed during the latter part of the evening and prizes were won by a team composed of Miss Betty Buente and Madamette Kathy Dohal, Jerry Schiller, Jackie Logan, Joyce Albers, Laverna Mucho, and Marilyn Schooley. The special award went to Mrs. Joan Willis.

Vaughn and Miss Heier Svaglic served a luncheon to 30 members from tables decorated with spring flowers. The head table was adorned with a centerpiece of red and white carnations, while the remaining tables held bud vases of yellow jonnalis and tulips in assorted colors.

Nameoki Woman's Club Elects

Officers for the 1960-61 club year were elected by the Nameoki Women's Club at a meeting Wednesday afternoon at the Grand Cafe Annex.

They are Mrs. Leo Schermer, president; Mrs. Harold Stewart, vice-president; Mrs. Herman Steinberg, treasurer; Mrs. Wilford Cooky, recording secretary; and Mrs. Harold Caldwell, corresponding secretary.

MISS SLOAN HONORED
AT BRIDAL SHOWER

A bridal shower was held in the home of Mr. and Mrs. Alva Barbre, 1724 Fourth street, honoring Miss Delores Sloan, niece of Mrs. Barbre, Monday evening. Mrs. Barbre was assisted with the shower by Mrs. Lorene Collins and Miss Sharon Chappell. Miss Sloan will become the bride of Pte. Donald W. Wolf on May 6.

The Barbre home was decorated with spring flowers. The gift table was decorated with pink and white streamers, a pink and white umbrella and large pink bells, and favors placed at each setting were miniature sprinkling cans filled with assorted candies and nuts.

Luncheon was served to Mrs. Louis Davat, Mrs. Ella Webb, Mrs. Blanche Mesmer, Mrs. Ruth Lilley, Mrs. JoAnn Rosecrans, Mrs. Evelyn Ketchie, Mrs. Stella Jones, Mrs. Joyce Gibson, Mrs. Ruth Ann Hubbard, Mrs. Waldine Helfer, Mrs. Violet West, Mrs. Barbara Graham, Mrs. Marie Redin, Mrs. Thelma Dugan, Mrs. Janet Suesan and Misses Lorna Chappell and Betty Boyer, and from out-of-town Mr. and Mrs. Wilford Sloan and Mr. and Mrs. Dean Sloan and son, Gregg, of McAnabers, Ill., and Mrs. Marie Manning and Mrs. Helen Karmes of Collinsville.

Sue Chappell assisted with the serving. The bride-to-be opened for many gifts, thanking each one present. Pictures were taken during the evening.

DUV OFFICER ATTENDS
LINCOLN PILGRIMAGE

Mrs. Rose Lee Suratt, president of Anna Tate Davis Tent 101 of Madison, attended a Daughters of Union Veterans pilgrimage to Lincoln's Tomb in Springfield Sunday.

A noon luncheon was held with services following. National and department officers attended, along with tent presidents and guests from all sections of Illinois. Mrs. Mary Law, Tent 48, Springfield, department chaplain had charge of the service.

Mrs. Rebecca Harris gave a talk on Lincoln, and the curator gave highlights of his life. A wreath was placed by the department president, who closed the service with prayer. Later, the group was entertained by Mrs. Gladys Davis, a national officer, at the national headquarters in Springfield.

LADIES' GROUP ELECTS
An election of officers was held Monday evening at a monthly meeting of the Madison Ladies City Organization with Mrs. Marie Stawar, the president, presiding.

Mrs. Sadie Wojcik will be the new president, Mrs. Margaret Michaels vice-president, Mrs. Sally Macra secretary and Mrs. Helen Geroff, treasurer. The newly-elected officers will be installed at the May meeting, which will be held with a dinner at the Sportsman's club.

Mr. Louise Lewis will be the acting installing officer. Mrs. Hazel Hinson and Mrs. Sally Bosworth, the hostesses, served refreshments to those mentioned and Mrs. Mary Hlava, Mrs. Ida Dant, Mrs. Mary Bridick, Mrs. Jessie Henderson, Mrs. Elizabeth Bergrath, Mrs. Helen Geroff, Mrs. Juanita Brown, Mrs. Julia Voloski, Mrs. Violet Bader and Mrs. Ann Balczak. A social time filled the remainder of the evening.

PLAN BANQUET
The Third Wednesday club met Monday evening in the home of Mrs. Delores Polson, of Talph street, Granite City. Games were the evening's entertainment, and final plans were made for the annual mother - and - daughter banquet to be held May 10.

Members present were: Charlene McCracken, Mrs. Audrey Nagey, Mrs. Lavelle Stevens, Mrs. Gale Moore, Mrs. Mary Peterson, Mrs. Tanaska McBrien and Mrs. Irene Gavlick. Prizes were awarded to winners of the games.

A discussion on Easter was held by Girl Scouts of Troop 111 as they gathered at the home of the leader, Mrs. Sally Bosworth, 1661 Second street, Tuesday.

The girls talked about gifts they will start at the next meeting for Mother's Day. Games were played on the lawn of the Bosworth home by Pat Moss, Donna Schleuter, Pamela Hinson, Alice Collins, Janet McBrian, Sharon Falgout, Pauline Voloski and Marcia Gitcho. The leader and Marcia Gitcho served refreshments to the group.

Scrapbooks were made by the cub scouts of Den Three of Pack 90 Monday evening in the home of the leader, Mrs. Treva Williams, 1817 Fifth street. Refreshments were served by Mrs. Williams and Mrs. Pauline Pinkley to Jack Montgomery, Ray Pinkley, Ronnie Britt and Jimmy Purkage.

Father Of Mrs. Vasil
Fryntzko Dies Today

The father of Mrs. Vasil (Roman) Fryntzko, H. M. Carl, 83 of Chickasha, Okla., died in a hospital here of general infirmities at 12:45 a.m. today. He had been in the hospital three weeks. Mrs. Fryntzko is a teacher at Washington school in Granite City. Funeral arrangements are incomplete in Chickasha.

Twilight Optimists
Discuss Bike Week

The Twilight Optimist Club discussed the Bike Week Program and a gathering with the Junior Optimist Club at its meeting Monday night at the Rose Bowl.

The Twilight Optimists, as their part in the joint area wide Optimist Clubs project, will inspect bicycles at Emerson, Nidringhaus and Washington schools Saturday. Three members will be at each school.

The club's planned meeting with the Junior Twilight Opti-

ROCA Bake Sale

The ROCA young men's club will sponsor a bake sale Saturday in two local supermarkets. At YMCA. A basketball game between the senior and junior optimists will be played.

2016 Madison avenue and at Pershing avenue and Nantuckel road, starting at 9 a.m. ROCA sweethearts will sell the bake goods made by mother-of club members.

Great wealth and happiness are generally not on speaking terms.

Hospitalized in Florida

Lt. Ben Shuppert, son of Mr. and Mrs. St. Clair Shoppert, 4224 Nantuckel road, is hospitalized at Eglin Air Force Base in Florida where he is undergoing treatment for a slipped disc. He has been in traction for the past week.

DREAMER

Many a man fails because he measures his industry by the things he plans to do tomorrow.

SELF-RULE

ECONOMY PROVED IN MOBIL GAS RUN!

CORVAIR BY CHEVROLET DRIVE IT! GET OUR DEAL!!!!

A pair of Corvairs recently recorded 27.03 and 26.21 miles per gallon in the 2,061.4-mile Mobilgas Economy Run. That's certified proof that Corvair skimps on gas costs. It saves other ways, too. Corvair is the only U. S. compact car that never needs antifreeze or costly radiator repairs. Come in and drive the compact car that outdoes them all.

Things Corvair gives you that America's other compact cars can't:

Practically flat floor... real foot room for the man in the middle. Fold-down rear seat gives 17.6 cu. ft. of extra storage space. Four-wheel independent suspension for a smoother, flatter ride. Four-engine traction... that comes with the engine's weight bearing down on the rear wheels.

You probably realize already that the mileage figures Corvair recorded in the Mobilgas Run are higher than the average driver can expect. But because the cars met every kind of driving condition—rugged mountain grades, long country straightaways, congested city traffic—those mileage figures prove Corvair's inherent ability to save. Operating costs take a nose dive the day you take delivery of a Corvair.

Two More Senior Firms

Glik's Store Founded In 1901; GC Realty Once Owned City

Expansion to meet the growing needs of an enlarging community and to reach new customers in areas where residential subdivisions spring up some times almost overnight is the watchword of the Glik department stores. Glik's and 150 other local firms are to be honored May 4 at a banquet being given by the Associated Retailers and Chamber of Commerce.

Established in Madison back in 1901, when Morris Glik, then only 17, opened the "Good Luck Store" in the 300 block of Madison avenue, the firm has grown in 59 years to where it encompasses five locations in Madison, Granite City's Belleme Village, East Alton, Alton and Edwardsville.

Morris Glik, father of present store head Joseph Glik, passed away in May 1945 after nearly half a century in the business, but to call the first Glik store in Madison a "department store" would be stretching the point a bit.

The elder Mr. Glik, who lived in North St. Louis when the "Good Luck" store was first founded, got his start with his father, Joseph Glik, the present owner's grandfather, in a dry goods store on North Broadway.

Once the Madison store had been opened, Morris Glik took a ferry to work each day from his St. Louis home, since the McKinley bridge had not yet been built. The store, which had a 25-foot front, was devoted entirely to men's and boys' wear.

Like all Quad-City firms which have endured and flourished, the Glik firm, a two-man operation when it originated, was faced with the problem of growth—space was soon at a premium in the store, and shortly before world war I the firm moved its stock across the street to Fourth street and Madison avenue.

Glik's was still strictly men's and boys' wear retailers at this time, but it was not long until additional space was purchased and a ladies' apparel department was added.

As the store grew, additional personnel was added. A third section in the same building was added to the store space, making room for yard goods, notions and shoes. Glik's was now ready to be called a department store.

Home Store Opened In 1933
In March of 1933 the present home store location was opened for business at Third street and Madison avenue. The scope of business at this time prompted Morris Glik to add furniture and household goods to his growing line of merchandise. Mr. Glik also became one of the first businessmen in the area to extend credit in the clothing department of his establishment shortly after the new store opened.

Glik's in 1923 employed 25 persons at its Madison location; today there are more than 70 in the five stores. The present employee with the greatest length of service is Carl Spohn, with Glik's for 35 years as a window and interior decorator.

Next in line came Joseph Richardson, present store controller, who has 34 years' continuous service. Mrs. Merle Harrold, with 24 years of service and currently head of the alteration department; and Joseph Greig, store buyer, employed by Glik's for the past 24 years.

Joe Glik, who believes in spending money to make sales, increased sales volume at the Madison store with an extensive remodeling project in 1951-53. The store face-lifting included a new front, self-service fixtures, the floors and fluorescent lighting throughout the store.

Open Branch Stores
With the revitalized home store as an example, Glik's opened its first branch store at the Belleme Village shopping center in Granite City in August, 1954.

Retail sales and shopper volume at the Madison store did not drop off, as some had expected, and almost one year to the day later the Belleme store was enlarged to keep pace with growing customer potential in growing Belleme Villages and the surrounding area.

In September 1956, the Wilshire Shopping Center store in East Alton opened its doors. One year later a similar outlet came into being at the Alton Plaza shopping center in Alton.

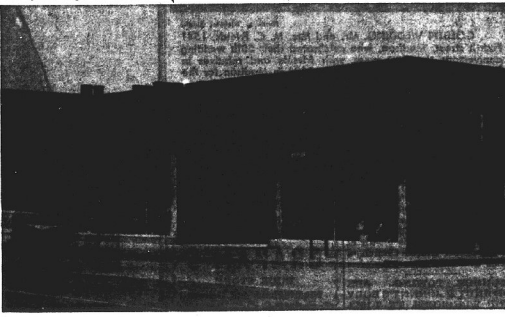

Following the policy of "store expansion or the opening of a new store each year," Glik's opened its fifth store in the spring of 1959 at the Montclair Shopping Center in Edwardsville. The Wilshire outlet had been enlarged to double its original size.

Joe Glik, who supervises the operation of five stores from a balcony office at the Madison location, calls the opening of each of his additional stores "a gamble." But so far, his attempts to reach new customers have been successful.

The moves to shopping centers have been profitable, and Glik's is not going to call a halt at five retail outlets. While a fire damaged the Madison store last December, remodeling was undertaken there. But Joe Glik still plans further expansion of the "home store" this year or the opening of a sixth location.

DEPARTMENT STORE HEAD Joseph Glik, in his balcony office at the Madison store, one of five operated by the firm, which opened the doors of its first location in Madison 59 years ago in 1901.

NEW LOOK at Glik's Department store in Madison—with more glass area in show window on the Madison avenue and Third street side of the building. Fire damaged the store last Dec. 2, and remodeling includes enlarged floor space and additional heating and air-conditioning equipment.

GC Realty 'Owned' City
Few Granite City firms can boast of being older than the community, yet the Granite City Realty Co., located at 1414 Twenty-First street, not only dates back before the incorporation of Granite City, but also is responsible for the layout of the downtown streets. In addition, the section of Granite City from the Madison city limits to 24th street was once owned by the company, according to J. W. Senf, agent and manager for the Niedringhaus trustees, the owners.

The company also will be among firms honored at the 50 Year Recognition banquet which will be held May 4 in the Venice-Madison American Legion Hall.

Representing the St. Louis Stamping Co., William F. and Frederick G. Niedringhaus formed the Granite City Realty Co. in 1893 to act as an Illinois agent for the Missouri company. They were the first Niedringhaus trustees. In 1895 they were joined by Thomas K., son of Frederick, and George W., son of William F. and there have been four trustees since.

The St. Louis company needed an Illinois outlet because it was a foreign corporation and not entitled to do business in this state. The realty company was formed for the Niedringhaus brothers to sell the land they bought to establish the city. The firm not only performed this task but also laid out most of the downtown streets.

Recalls Circle Park
Senf said the original plan included a central circular park which took in the area presently located around the intersection of Niedringhaus and Edison avenues and 20th street and where the YMCA, city hall, Traders' Men's Store, post office and old new First Granite City National Bank buildings stand. The plan called for the park to be the hub of a wheel with Niedringhaus, Edison and 20th as spokes. Land values went up and the park idea was dropped after having a brief existence.

Senf has been agent since 1941 although he was associated with the firm for 34 years. One of the first agents was C. F. Stetzel.

Since most of the original purpose of the company has been accomplished, to act for the city founders in setting up the city, business has slackened down in recent years. The office still buys and sells property and deals in all forms of insurance except life. The office moved six times through the years and has been in the present location only six years.

Currently the Niedringhaus trustees, all descendants of the original group, are J. P. Erwin Niedringhaus, Lee L. Niedringhaus Jr., W. Delafield Niedringhaus and Pierre Loisel Papin, all of St. Louis.

Mud Guard Law Injunction Set Aside By Court

A temporary injunction which had halted enforcement of Illinois' controversial mud guard law by state police was set aside here Monday afternoon in a ruling handed down by City Court Judge Fred F. Schuman.

The court, in a 10-page decision, disallowed the contention by plaintiffs that the law, which requires some trucks to have fixed splash guards while traveling over state highways, violated the constitutions of the state of Illinois and the United States.

Judge Schuman earlier this week had granted the temporary injunction after such a request was filed on behalf of 16 plaintiffs, all doing business as truckers.

State police, who had suspended enforcement of the mud guard law pending a decision by the court, were expected to begin enforcing the statute immediately.

The plaintiffs had claimed that penalties of the present law were indefinite and could not be ascertained. The Illinois constitution was violated, they contended, in that plaintiffs were deprived of property (in time) without the due process of law. The city court ruled that the state legislature must enact a law interfering with the property of an individual with the "ultimate aim of safeguarding life, health and property upon the (state) highways."

It was also charged by the plaintiffs that the law is discriminatory in that some vehicles are exempted from the mud guard requirement, and "that normal operation of equipment is precluded by the statute since a detachable splash guard cannot be obtained."

The court ruled that the requirement of mud guards on some vehicles and the exemption of others is not discrimination, and directed that enforcement of the law be left to the discretion of the Illinois state police.

The statute had been upheld as legal in two previous court cases, one in 1935 when the original law was enacted, and once again two years later. Minor revisions in the law were made by the 1959 state legislature.

GC Township Expenses Of \$1059 Approved

Township bills totaling \$1059 were approved Monday night by Granite City council members in their capacity as the town board of auditors. Of the total, \$800 was paid from the town fund for half-month salaries of three officers, and \$459 was for routine relief bills and half-month salaries.

The town fund disbursements were \$162 to Supervisor Leon and Oram, \$250 to Assessor Tom Doe Cruse and \$187 to Mrs. Margaret Hornberger of the assessor's office.

Relief disbursements were \$42 to Illinois Power Co. \$6 to East St. Louis & Interurban Water Co. \$3 for employees' retirement; and half-month salaries of \$173 for Miss Ethel McReynolds, \$137 for Mrs. Veina Carraker, and \$95 for Mrs. Ida Oram.

Speeding Charge
James D. Reagan, 23, of 2517 Washington avenue, posted \$11 cash bail after being arrested Monday night by Granite City police on a charge of speeding at 27th street and Madison avenue.

VFW Buddy Poppy Sale Co-Chairmen Announced

William Green of Veterans of Foreign Wars Post 1300 and Mrs. Cleo Schnefke of the VFW Auxiliary have been chosen to direct the annual sale of VFW Buddy Poppies in this area on Friday, May 20, and Saturday, May 21, it was announced today.

Green is senior vice-commander of the post and Mrs. Schnefke is senior vice-president of Auxiliary Unit 1300.

"Any veteran who served

faithfully may receive these benefits. He need not be a member of the VFW."

"With more than 18,000,000 of our ex-servicemen still living, the magnitude of the task is readily apparent," Green and Mrs. Schnefke continued.

"The Veterans Administration cannot care completely for the multitude of cases it now has on hand. It is, therefore, up to such organizations as the VFW to take over the more urgent of these veterans' problems."

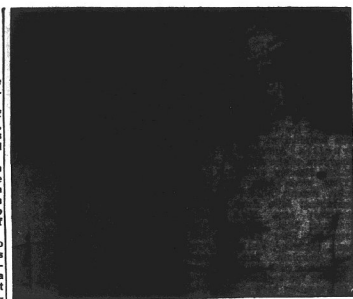

"Because there is so much to be done in aiding our veterans and their dependents, each citizen is being asked to donate a little more this year. The best way to personally show our gratitude for the sacrifices of our disabled veterans is to buy a VFW Buddy Poppy."

Lone Quad-City Youth To Be Drafted Monday

A lone Quad-City youth is to report next Monday to the county selective service office at Edwardsville for armed forces induction. However, he will be joined by three Edwardsville area youths who also are to be drafted.

The draft quotas for the

Quad-Cities next month include five men to be drafted on May 23, the same date when eight local youths are expected to report for pre-induction physical examinations. Six Edwardsville area youths also are to be drafted on May 23, and four are to be given pre-draft physicals the same day. The Alton quotas call for five men to be inducted May 16, while eight are to report for physical exams.

VFW POPPY SALE leaders here May 20-21 will be (left to right) William Green, senior vice-commander of VFW Post 1300, and Mrs. Cleo Schnefke, senior vice-president of the auxiliary unit.

Auto-Truck Collision

An auto driven north on Iowa street by Richard F. Jones, 24, of 3025 Wayne avenue, and a Goodwill Industries truck operated by Guy G. Lilledahl, 56, of St. Louis, who was making a left turn onto 30th street, collided at the intersection on Monday. Granite City police said no one was injured.

Fines Levied in Venice

J. C. Baker, 1013 Logan street, arrested earlier this month by Venice police on charges of drunkenness and disorderly conduct, was fined \$33 by Police Magistrate Wesley Edwards Monday evening. Raymond Johnson, St. Louis, was assessed \$10 Monday evening on an April 17 charge of improper parking.

Hearings Led By Price On Atom Test Detection

Cong. Melvin Price (D) of St. Clair, Madison counties and Sang, Chert, Hamilton, counties of research-development and radiation subcommittees of the Joint Committee on Atomic Energy, conducted joint committee hearings this week at which nuclear scientists and metallurgists testified. Topics were cessation or continuance of nuclear weapons testing, and enforcement of any test ban agreement.

In a joint statement, the two said public hearings were called because "it is of utmost importance that we have an informed public capable of understanding what a treaty or international agreement involves should one be proposed. A number of conflicting statements have been made as to various technical problems that may or may not exist in the operation of an adequate control and detection system."

A representative group of leading scientists and technical experts was called to give direct testimony and to take part in panel discussions. Emphasis was placed on technical aspects of a nuclear test ban and on the type of research and development programs necessary for a workable system of detection and inspection.

SOCIETY

DAR Installs New Officers, Winners Named

Officers for the ensuing year were installed at a meeting of the Drucilla Andrews Chapter, Daughters of the American Revolution, Monday evening.

They were Miss Ella Ray Smith, regent; Miss Nell Carr, vice-regent; Miss Anna Wilcox, secretary; Mrs. Eva Meier, treasurer; Mrs. Thelma Haven, historian; Miss Moore Grosz, at-large, registrar, and Mrs. John Tate, chaplain. Mrs. Robert Chapman, a past regent, was in charge of the ceremony.

The meeting took place in the home of Mrs. Meier, 2456 State street, and Mrs. Ralph Fobardt was co-hostess.

Miss Smith led the group in the pledge to the flag, and prayer was offered by Mrs. Tate. The message of the president general, Mrs. George White, was read and several guests were introduced. They were the winners of the Civil Citizenship awards in the Tri-City high schools and their mothers:

Miss Carol Wood and Mrs. Norman Wood of Granite City, and Miss Sandra May and Mrs. A. J. May of Venice. Miss Nancy Salmon, the Madison winner, was not present.

The girls are selected by their schools on the basis of dependability, service, leadership and patriotism and the awards are made by the DAR chapter. Each of the winners received a pin and a certificate.

Party Honors Paul Cooper Jr.

The seventh birthday of Paul Cooper Jr. was the occasion for a party Monday given by his parents, Mr. and Mrs. Cooper, at 2836 Michigan avenue.

The rathskeller of the home was decorated with balloons and a tiered cake topped with rabbits and placed on a musical platter centered the table.

The children were entertained with motion pictures and took part in games. Several prizes were awarded and party hats, balloons and miniature baskets were given the guests.

Refreshments were served to Karen Karandjoff, Colleen Jeffries, Delby Baker, Janet Wilson, Linda Thompson, DeAnn Creek, Jane Jones, Scott Schneider, John Brooks, Don Harris, Joseph Papes, Chuck Collett, Steven Arbeiter, Michael McClain, Terry Hamm and Mrs. Owen Cooper.

Mrs. Argelan Hostess For Club

Mrs. Peter Argelan, 2500 Hodges avenue, entertained her phinocchio club Tuesday evening and included one guest, Mrs. Joseph Parente.

Winning scores were held by Mrs. Hubert Hennrich, Mrs. Frank Schwarzkopf, Mrs. Andrew Hagan and Mrs. John Bowman.

Refreshments were served by the hostess and plans were made for the next meeting to be held in the home of Mrs. Bowman, 3021 Washington avenue.

VISITING PARENTS

Mr. and Mrs. Russell D. Johnson, 2166 Woodlawn avenue, have as their guests this week their son and daughter-in-law, Mr. and Mrs. Russell Johnson, Jr. and children, Marilyn, Russell III and Sandy of Silver Springs, Md.

Announcement has just been made of the engagement of Miss Judith Ann Strutz, a daughter of Mr. and Mrs. O. A. Strutz of Appleton, Wis., and Howard Theis, elder son of Dr. and Mrs. E. H. Theis, 2823 Grand avenue.

The bride-elect is a senior in the University of Illinois College of Medicine in Chicago.

The wedding of the couple will take place June 14.

TAX FACTS

Important assessment changes in the State Revenue Act were made by the General Assembly at its session in 1935. The Taxpayers' Federation of Illinois reviewed today.

The quadrennial assessment year for counties of less than 500,000 inhabitants was changed to 1936 and every fourth year thereafter, except in townships lying wholly within a city of more than 50,000 population. In those townships, the assessment is to be made quadrennially beginning in 1940. The law relative to the quadrennial assessment in Cook county was changed to provide for the division of the county into four assessment districts. The quadrennial assessment years for district number 1 are 1931, 1936 and every fourth year thereafter; for district number 2 the quadrennial years are 1932, 1937 and every fourth year thereafter; for district number 3 the quadrennial years are 1933, 1938 and every fourth year thereafter; and for district number 4 the quadrennial assessment years are 1934 and every fourth year thereafter.

The date as of which real property is assessed for taxation and as of which taxes become due against such property will be Jan. 1, commencing in 1940. Personal property is assessed for taxation each year as of April 1. The month in which application must be made for judgment and order of sale for taxes and special assessments on delinquent lands was changed from September to October. The adjournment date for Boards of Review in counties of 100,000 or more inhabitants was changed from Dec. 7 to not later than Dec. 31.

At recent sessions the General Assembly has adopted a number of amendments to the Revenue Act pertaining to exemptions. In 1935, all property of public building commissions as well as parking lots owned by schools, non-profit hospitals, and religious and charitable institutions became exempt. At the 1937 session, staff and student housing of schools and organizations used exclusively for charitable, patriotic and civic purposes also at this session amendments exempt all property of park districts of less than 500,000 inhabitants and all property of public water districts.

Recovering From Jan. 11 Accident

Mrs. Daubert Plans To Return Soon To Park Board Post

With three months gone by since her near-fatal accident, Venice Park Board Vice-President Mrs. Hilda Daubert still is unable to walk unassisted, but her spirits are high.

Mrs. Daubert, 59, was in a car driven by her grandson, Robert Minka, 17, when it was involved in an accident with a truck at 16th and State streets on Jan. 11. Robert suffered only minor injuries while Mrs. Daubert was

near death with a concussion, broken left arm, hip and leg, jaw fractures in five places and numerous cuts and bruises.

Since that bleak day when it was doubtful she would survive, Mrs. Daubert has steadily improved until now it is almost certain she will recover completely. Her daughter, Mrs. Ted Hendricks, 2508 Waterman street, says that doctors maintain it was Mrs. Daubert's good physical condition before the accident that is a major reason for her progress today.

Mrs. Daubert was released from Barnes Hospital, St. Louis, on Feb. 10 and stayed with her daughter in Granite City until last week when she returned to her home at 1235 Klein street to live with her grandson, Robert, and granddaughter, Donna, 16, both students at Venice high school.

Progress among the critically injured is measured by the number of doctors who release the patients. Mrs. Daubert now sees only two specialists after the third declared that the concussion has adjusted itself.

Headaches Less Severe
Severe headaches, which were one of the main sources of pain to her since leaving the hospital, have lessened in number and harshness. As a result she is able to see more people and enjoy their company.

Park board members frequently visit her to keep her posted on latest park activities and plans.

She has been a member of the board since 1954, replacing her husband, William, who died that year. Mrs. Daubert is firmly resolved to return to the board as soon as she is able, according to her daughter.

Future X-Rays Important
But when she will be able to walk again depends somewhat on the outcome of x-rays of her hip and leg she will receive in three weeks.

Mrs. Hendricks said. At that time the bone specialist may be able to predict at least with more accuracy than he can now, when she will be able to do away with the "walk-ette" she now uses to move around at home. It is a four-legged crutch of light weight which is placed slightly in front of her. After each step she lifts the crutch forward and then takes another step.

Her broken jaw was also a serious problem but the pins have been removed and her doctor has told her that no bone addition is necessary. For a time it was thought that because her jaw was broken so badly, especially in one joint, a new bone

Soldiers Give Two Wheel Chairs To Agency

The 593rd Engineer Group of the Granite City Engineer Depot, bought two wheel chairs for the Protestant Welfare Association last week as part of a series of charitable projects the enlisted men have undertaken in this area.

The 500-man group contributed \$166 for the two chairs which will be used by the welfare association on loan-out basis to needy people who are unable to afford wheel chairs. The equipment is usually placed in their homes until the people are either restored to health or can afford to purchase a chair.

Sgt. Hiram Stacey, chairman of the welfare fund committee and two members, Sgt. Carroll Spradley and Pvt. Robert Coffman, presented the gifts to Mrs. Marie Whittle, secretary of the Protestant Welfare agency.

Blind Workers Hindered In Sale Of Products

Blind persons who make their living by the manufacture and sale of household products have been hampered in their sales effort in recent months by other salesmen with products they claim are made by the blind, according to the Illinois Federation of the Blind.

In an attempt to halt this, the federation has issued a warning to housewives to examine products salesmen say are made by blind persons to see if they have the federation seal on them. The organization issues the seal to manufacturers and salesmen of "blind-made" products who apply and can qualify for its use. The triangle-shaped seal has the letters "I, F and B" in each corner and has a white cane in the middle.

Auto Accident

Involved in an accident on Monday at 21st street and Edison avenue were autos driven by William Jenkins, 48, of 2223 State street, who was going east on 21st street, and Harriet Phelps, 32, of 1719 Delmar avenue, who was traveling north on Edison avenue. No injuries were reported.

It would have to be inserted. But the jaw has healed better than was anticipated.

Her left arm is almost completely healed, although her hand is stiff occasionally.

Mrs. Daubert spends most of her day either in bed or in a chair. She is able to eat her meals at a table.

Mrs. Hendricks spends much of the day with her while Robert and Donna are at school.

When she can return to the park board or her clerical-stenographer job at the Madison Clinic and Health Information Center is uncertain, but with her spirit and desire, it may be sooner than most people expect.

GC Diver Plans To Return To Site of Sunken Galleons

Although he has only one gold coin to show for nearly two months of treasure-hunting effort in the Caribbean Sea, Granite City's "Diver" Delpe of Highway 67, will return to the site of two sunken Spanish galleons this fall with high hopes of locating a major treasure trove.

"There's no question that there is gold in and around the wreckage we located, and that it can be found with the right equipment," the professional diver said this week.

Delpe and three other members of his party, returned last week from Grand Cayman Island, which lies in the Caribbean 500 miles south of Miami and 90 miles west of Jamaica, where two Spanish ships were located in about 10 to 12 feet of clear water just inside a reef at Grand Cayman Island.

Delpe said the vessels were not difficult to locate or reach, but that they are so coral-encrusted as to make difficult the identification of their contents. "We plan to take along metal detecting devices when we return to the site, probably in August," Delpe said.

The treasure hunting party hesitated to knock coral from the sunken wreckage, Delpe said, for fear other searches might spot the bare metal and wood and preclude the location. The Granite City's party did locate ballast stones, anchors and brass cannon at the site, but have been unable to determine how the two ships were sunk, since the wreckage is badly rotted.

"Conditions were ideal," Delpe related. "The water is as clear as the air, and its temperature was 78-79 degrees. We used no diving equipment — just face masks."

What if the galleon graveyard fails to yield the treasure Delpe believes is there? "Well, we have located several other sites near the island which we would like to look into, and I'm back at my regular job earning enough money to finance my part of the exploration," Delpe added.

Two Burned When Gas Ignites, Stove Flares

Two area residents were burned in separate accidents on Monday when leaking gasoline from a lawn mower ignited and an oil stove flared. Firemen from the Nameoki road station were called to put out the lawn mower blaze.

Vincent Rozyski, 30, of 2900 Wayne avenue, had just finished cleaning his lawn mower in the basement and was washing spilled gas down the drain with a garden hose when the fumes suddenly ignited apparently from an automatic water heater. Rozyski kept the fire under control with the hose until firemen arrived.

Fire Captain Leonard Wilson said there was \$100 smoke and fire damage to the house. Rozyski was taken to St. Elizabeth Hospital and treated for burns on his forearm.

James Akart, 36, son of Mr. and Mrs. Sidney Shedd, 1532 Fifth street, noticed the oil stove in his house was smoking at 8 p. m. and when he opened the door to check, flames flared and burned him on the right forearm, upper arm and thumb. Drawings were applied at the hospital.

Also treated in the emergency room was Patricia Walker, 14, daughter of Mr. and Mrs. Vernon Walker, 2828 Forest avenue, who was bitten by a dog. The wounds were cleaned and she was released.

Zoning Change For Lot Ok'd By GC Council

An ordinance rezoning Lot 2 in Terrace lane subdivision at Terrace lane and Johnson road from R-2 residential to C-1 commercial was approved Monday night by Granite City Council members on a recommendation by the City Planning Commission.

In the original request, the owner, Russell LaRose, also had sought a change from R-2 to C-1 for Lot 3. However, that request was denied by the Plan Commission.

The procedure was challenged by Alderman Emerald Daves, who asked that the zoning in ward where a zoning change is proposed be kept informed on the details. Alderman Charles Meyer, chairman of the Ordinance Committee, said the LaRose request originally was proposed in February and at that time was presented to the council and referred to the Plan Commission.

Liquor Bonds Ok'd, City Studies Package Request

Renewal of two \$2000 liquor bonds for Joseph Gerbe to operate a tavern at 1102 Niedringhaus avenue and Maurice U. Darnier for Doc's Downtown Liquor store, 3419 Twentieth street, were approved Monday night by Granite City council members.

Referred to City Atty. William L. Beatty was a request from Joseph Foster to open a package liquor store in a building on the northeast corner at Nameoki road and St. Clair avenue. Alderman Estlin Vonn Schmittou, deputy liquor commissioner, asked Beatty to determine if there would be sufficient distance between the proposed package liquor store and the Rose Bowl restaurant, which operates a bar.

YMCA Well Represented At Youth Legislature

Three of the ten officers elected last February by youth legislators to serve in key positions at the 11th annual Youth and Government Legislature in Springfield tomorrow and Saturday are members of clubs from the local YMCA.

Lieutenant governor Sheila Graham, clerk of the house Mary Ellen King and sergeant-at-arms of the senate Warren Nash will be among youth officials working to see that all goes smoothly as members of Tri-Hi-Y and Hi-Y clubs from YMCAs throughout the state introduce, debate and vote 150 bills in the two-day period.

On the floors of the house and senate as the bills are promoted will be four senators and 14 representatives chosen from among local YMCA teenagers who have been taking part in the youth and government program.

Senators include Raymond Taylor, Ida Guitler, Carol Ortolan and Ruth Ann Schroeder, while serving as representatives will be Ronald Randall, Nancy Blischoff, Anita Boyer, Sandra Coleman, Elaine Dineff, Carol Rank.

Venice Drive Renewed Against Icebox Hazards

An appeal for public cooperation in eliminating abandoned icebox hazards was issued this week by Venice Police Chief Robert Traver after the police located an icebox in the 200 block of Main street Tuesday and instructed the owners to remove its doors.

Two youngsters died after becoming trapped inside an unused icebox in Venice several years ago, and a drive for removal of the doors or destruction of the boxes has been made there annually.

Atom Electric Plant Built In Illinois

Illinois Power Co. is one of eight companies which contributed to research and development of the new atomic powered electricity plant a few miles east of Morris, Ill., according to Allen Van Wyck, president of the company.

The atomic plant, which will produce electric power through steam generated by a nuclear reactor, is the first full-scale privately financed nuclear power plant in the world. The reactor is now undergoing extensive tests of its present 448 fuel assemblies and should be ready for operation during the summer, Van Wyck said.

The plant is owned by Commonwealth Edison Co. and was built by General Electric Co. The first atomic chain reaction was achieved at the plant in October 1959 when only 28 uranium fuel assemblies were installed at the reactor core.

The reactor will be brought up to half-power under the provisions of the Atomic Energy Commission start-up license, shut down for a checkup and then brought gradually up to full power before full operation can be started.

Venice Senior Class To Give Play May 13

Rehearsals have been started for the annual senior class play of Venice high school, to be presented in the school gymnasium Friday evening, May 13.

"Hillbilly Courtship," a play by Austin Goetz, has been selected for presentation by the graduating class. Robert Hendrickson, English teacher at the Venice school, is the play director.

Members of the cast are Sandra Ohlendorf, Clarence Hand, Steve Wilcox, Jeanette Cleo, Dean Johnson, Nancy Scagg, Anita Svezia, Darlene Moreland, Norma Campbell, Woodrow Moss and Luther McCain. The setting is in the Ozark mountains.

PTA, City, Schools Seek W. Pontoon RR Watchman

The city will join with the Nameoki grade school PTA and school authorities in seeking a watchman at the West Pontoon road rail crossing, using several times daily by an estimated 100 motorists from the Bradfield and Metcose subdivisions.

Alderman Emerald Daves, whose request for a joint meeting of city, school and PTA officials was approved, suggested the proposal be presented to the railroad, and if not accepted, submitted to the Illinois Commerce Commission.

Performances Of Senior Play Tonight, Friday

Members of the top senior class at Granite City high school will give performances of their class play, "Twelfth Night," by William Shakespeare, at 8 o'clock tonight and Friday in the GCCHS auditorium.

Members of the cast are Diana Taylor, Bill McDowell, Bob Arbogast, Mike Genovese, Ben Eveyer, Gary Wiseman, Tom Timmons, Bill Evans, Donna Ware to Ann Jennings, Beverly Tonoff, James Dederia, Reba Humphrey, Pat Toth, Mary Frohardt, Kathi Okal, Phil Achenbach, Carl Wortham, Mike Lombardi, Richard Williams, Jim Warfield, Bob Price, Alan Sharp, Dave Dumoulin, Pat Williams and Linda Sperry.

Salem Re-Elected Venice School Board President

Lester Salom was re-elected President of the Venice school board for 1960-61 by acclamation Monday night, and Michael Leatherman Jr. was elected to the post of secretary in the same manner during the board's re-organizational meeting.

Super John O. Pitt and School Atty. Austin Lewis were retained by the board. Leatherman succeeds Harold Siebert as secretary for a one-year term. Canvassing of the votes cast in the recent school election was completed during the meeting with no changes made.

The board voted to continue its present meeting policy, with sessions the first and third Mondays of each month except in July, August, and September. The board will meet the first Monday in July, the third Monday in August and on the first Tuesday in September.

Standing committees appointed by Salem were: finance — Thomas Foley, chairman, Michael Leatherman and Harold Siebert; building — Roy Musick, chairman, Eugene Elgan and Leo Davinroy; personnel — Siebert, chairman, Leatherman and Foley; and purchasing — Elgan, chairman, Musick and Davinroy. The board heard a report from Musick, as chairman of the building committee, on extensive summer repairs and renovations planned, and recommended that bids be sought immediately.

Improvements. Repairing of the rear doors in the Venice high school gym; refinishing of bleacher seats in the gym; new lights, ceiling and tile floor in the Venice high school band room; replacement of the floor, radiators and installation of a blowee heating system in the high school television room. Removal of partitions, radiators, baseboards and installation of new floor in the high school student lounge; 24 additional light fixtures in rooms at the Venice grade school; a new floor in the commercial room of Venice high school; replacement of sidewalks at the front and side entrances of Venice high school; replacement of steps at the front entrance of the same building; planting of the front lawn at the building with evergreens; construction of a retaining wall along the entire length of the school property along Broadway; and planting of shade trees at either end of the building.

The committee is to submit recommendations for the Lincoln grade and high school at

the board's next regular meeting. The Lincoln survey was conducted last night by Siebert and members of his committee.

Broadway Signal. Pier told the board that with the improvement of Broadway, additional traffic is expected in front of the Venice grade and high school buildings.

An expenditure of \$480 was authorized by the board for fitting of an electric signal in front of the building with a larger lens, repainting, rewiring under the surface of Broadway and other changes to the signal.

The superintendent's proposal that the district contract with the School Accident Insurance Co. at a rate of \$1.50 a year for each student in grades one through six and \$1.75 for students in grades seven through 12 was approved by the board.

Sabin To Attend Science Foundation 1960 Course

A second National Science Foundation scholarship for summer study has been awarded to Lewis Sabin, 1803 Spring avenue, principal of Venice high school, it was announced this week. Sabin will study at the University of Kansas, Lawrence, Kan., June 13 to Aug. 6 under a program sponsored jointly by the science foundation and the U. S. Atomic Energy Commission. Last summer, he was chosen for an advanced chemistry course held at the University of Illinois by the National Science Foundation.

At the University of Kansas, Sabin will be one of 20 science instructors and administrators from throughout the country at a course on basic radiation biology and its biological and physical foundation. The program is part of the National Science Foundation's effort to lift the standards of science teaching. For those completing this summer's course, the Atomic Energy Commission will make available special laboratory equipment to aid in teaching phases of radiation biology to high school students.

Legislature Can Correct Illinois Absentee Voting Law Weaknesses

In the wake of the primary voting, two weaknesses in the present Illinois election law have become apparent.

One of the weaknesses is the three-day period before each election, during which a voter's election day plans may change but it is too late to apply for absentee ballots. The existing deadline works well for those who know far enough in advance that they will be out of town. But unexpected business, illnesses and deaths that require last-minute trips should not disenfranchise persons who had fully intended to go to the polls personally. Perhaps a one-day rather than a three-day period would be more realistic.

With 5,000,000 registered voters in Illinois and a substantial portion of that total voting in the 1960 primary, 125,000 Onheides. Jews could not vote because their church law forbids voting or any kind of business on the Feast of the Passover. Absentee ballots would have solved that problem, but Illinois statutes limit such ballots to those who anticipate they will be out of town or hospitalized. Yet, some arrangements should be made to record the political preferences of citizens bound by church rules to abstain from voting on religious holidays.

Both of these conditions relating to the election code could be corrected by action of the state legislature. Both are worthy of serious consideration at the next legislative session.

Staff Ready To Act In Event Of Natural Disaster In Madison

No one wants a tornado or other natural disaster to strike here, but everyone recognizes the distinct possibility that this could happen. Now a disaster committee headed by E. A. Friedman has developed a detailed plan of action to be carried out in the event of a major storm, fire or explosion in the city of Madison.

In line with the federal government's decision to encourage civil defense participation, many phases of the disaster program would utilize units of the defense staff. Work to cope with natural disasters is similar in many ways to civil defense activities in the event of an enemy attack, and it is logical that the two staffs should work in close cooperation.

The plan prepared by Friedman and approved by the city council could do much to speed rescue and first-aid work and to restore order to the community. If a disaster strikes, the staff will be ready to swing into action.

Right Turn, Radio Innovations May Ease Downtown Traffic Congestion

Use of "walkie-talkie" radios and institution of right turns on red lights are indications of coming interest by the city of Granite City in solving downtown traffic problems.

Some people have marveled at the fact that human beings can condition themselves to regulation by mechanical devices, such as stoplights, where they wait for the green signal even when there is no op-

posing traffic. Traffic discipline is necessary from a safety standpoint, but the "right turn on red" procedure makes sense, as long as motorists avoid pulling in front of oncoming vehicles.

When tried during rush hours, the radio plan also aided in clearing traffic. In addition to guiding operation of the light signals by pushbutton, the radio information may lead to revision of the stoplight timing.

Purpose of traffic regulation is to expedite the flow of vehicles, not to stop autos just for the sake of stopping. The innovations being tested seem likely to bring the Granite City business district closer to the goal of no traffic congestion.

Average Person Works More Than Two Hours A Day To Pay Taxes

During an eight-hour working day, does the average wage-earner spend most of his time earning money for groceries or for his home? Neither one, a 1960 survey shows.

The typical employee devotes two hours and 16 minutes of each day to earning funds for his tax payments. Food and tobacco rank next with one hour and 28 minutes, and housing and household operations account for another hour and 24 minutes. The remaining two hours and 52 seconds are divided between transportation, 36 minutes; clothing and accessories, 34 minutes; medical care, 19 minutes; recreation, 18 minutes; and all other, one hour and five minutes.

The survey answered most questions that come to mind, including the fact that taxes represented a smaller proportion, two hours and 12 minutes, two years ago.

The only unanswered questions are how a person can work four minutes longer for taxes when the work day is getting shorter, and against what earning period does the "coffee-break" apply — taxes, food or recreation?

Over Half Of Illinois Residents Enjoying Fluoridation, Big Saving On Dental Bills

Evidence continues to accumulate underlining the already proven fact that fluoridation of communal water supplies consistently reduces the incidence of dental decay by approximately 60%.

A new study of Evanston, Ill., children who have enjoyed the benefits of fluoridation throughout their lives shows their dental health is far above average. During the years that Evanston has had fluoridation, parents there have saved over \$150,000 in dental bills, it is estimated by Dr. J. R. Blayney, director of the Evanston Dental Caries study.

Despite any and all allegations to the contrary, it should be remembered that fluoridation has been found effective and safe in 100% of the communities where it has been used. Not a single case of ill effects has been found. And not one recognized health authority or organization has found fault with fluoridation, including the official government agencies and medical and dental schools and associations.

To date, 116 communities serving more than half of all Illinois residents have adopted fluoridation. This is no fly-by-night, unproven proposal. The experience in Evanston raises the question: why should the city of Granite City continue its delay?

Granite City PRESS-RECORD Page 36 Thurs., Apr. 21, 1960

License OK'd For Ice Cream Truck Operation

An application for operation of an ice cream truck in Granite City was approved Monday night by Granite City council members who two weeks ago denied the request by J. E. Jacobs of Washington Park.

City Clerk A. L. Stevens said the application was accompanied by the \$100 annual license fee and a satisfactory inspection report by City Inspector Jack Fieker.

Alderman Paul Rutledge, chairman of the Finance Committee, asked if a \$100 license fee had been paid by another distributor. He said the last he knew the fee had not been received. He also requested strict enforcement of the city law which prohibits sales from the "street side" of vehicles dispensing refreshments.

Again referred to City Atty. William Beatty was a January application by Central Distributors, Inc., St. Louis, for a city pinball distributor license. Alderman Arthur Wiegman, chairman of the Pinball Committee, said he had received a letter listing the officers of the firm and asked Beatty to determine if those names would fill the requirements of the city ordinance.

Two weeks ago, the council insisted on strict compliance with a list of names of all persons owning 5% or more stock in the company. Alderman Earl Von Schmitt complained of the delay in the issuance of the license for the St. Louis company which had bought the firm operated by Ralph Abrams.

The applicant firm's officers are listed as Charles L. Kagle, Norwood E. Veach and Anthony R. Koupal.

Wabash RR Wants To Eliminate Two Trains

Opposition to a Wabash Railroad petition to halt the operation of two night passenger trains between St. Louis and Chicago will be made before the Illinois Commerce Commission at Springfield by the city of Granite City.

Council members, upon receiving notice Monday night of a hearing in Springfield on April 25, instructed City Atty. William Beatty to notify the commission of the city's objections.

Several solons pointed out the city would soon be without passenger rail service if the dropping of trains continues.

GC Ready To Buy Alcohol Tester

City council members voted no objections Monday night when Alderman Chester Skushak, chairman of the Police Committee, proposed the purchase of an alcohol testing machine for the police department.

Skushak said the cost figure of about \$65 could be included in the new 1961 budget which is in the process of being prepared. He said the committee has thoroughly investigated the operation of similar machines in other cities and found that in one city where 267 cases of drunken driving were reported, 133 motorists were acquitted when their alcoholic tests proved negative.

"This machine will be a good for the citizenry as for the city," he stressed. A demonstration of the "breathalyzer" machine was given the city last February.

After adjourning, refreshments were served by the hostesses. Mrs. Hakekost and Mrs. Laura Buschoff, anti plans were made for the next meeting May 16, when Charles Thomas of Bethesda will be the speaker.

GOP Club Hears Talk By Attorney

Att. Randall Robertson was the speaker Monday evening at a meeting of the Quad-City Republican Club held at the St. James Hotel.

Mrs. Cecelia Hakekost presided, following the pledge to the flag and prayer by the chaplain, Mrs. Ida Hakekost, and eight new members were welcomed.

Reports of various committees were heard and several projects were discussed.

County Police Meeting Area police are attending a monthly meeting of the Madison County Police Officers Association this afternoon at the Edwardsville Gun Club. The Sheriff's office is the host for this month.

Four New Street Lights To Be Installed in GC
A recommendation for installation of four new street lights was presented, to Granite City council members Monday night by Aldermen Emerald Daves, chairman of the Light Committee, and was approved for preparation of a resolution.

The locations specified were Lynch and Veece avenues, Wabash and Veece avenues, Wilson and National avenues and the middle of the 2800 block of Pershing avenue.

City's Bill List Totals \$11,059

Bills approved by Granite City council members totaled \$11,059 including payment of \$5838 to General Contracting Co. for work done on the St. Clair avenue bridge widening project.

Fees and allowances included in the list were \$733 for Melvin Pasha for maintenance of the city dump, \$418 to David J. Johnston for engineering services in March, \$50 auto allowance for Police Chief Raymond Willard, \$30 auto allowance for Alderman Samuel Whitmer, \$30 for Alderman Camer Skubish and \$30 expenses for Alderman Frank Nemeth.

For maintenance, parts and service for motor vehicles, the bills totaled \$424, and for 2495 gallons of gasoline, \$668 paid to Federal Oil Corp.

Each day one of the 22 member ministers is on duty at the office to offer personal guidance. Each minister usually is at the office once a month.

Open House At Protestant Welfare Office Sunday

If weather is fair, several hundred persons are expected to attend the open house and dedication ceremonies at the Protestant Welfare Association's new office, 2052 Edison avenue, according to a spokesman for the welfare agency.

The new headquarters for the United Fund agency has three rooms and a basement for storage of furniture. The upstairs is not being used but can be utilized if expansion is necessary. The two-story brick building was purchased last autumn with funds accumulated from individual donations and free will gifts in previous years.

The open house is scheduled to start at 1:30 p. m. and continue to 5 p. m. William G. Harris, Rev. Paul Evans and Rev. C. M. O'Connell will conduct the dedication ceremonies at 3 p. m.

The idea for the association was formulated several years ago by a group of ministers to provide assistance to needy persons in the local area. It was a loosely organized agency until 1953 when a group of laymen and the Tri-City Ministerial Alliance formed a board of directors. Soon afterwards a regular secretary was hired, an office located and the Protestant Welfare Association was born.

Outgrows Old Quarters

With the growth of the area, the need for more welfare aid also increased and it became apparent to the board that the original office was too small. It was then decided to work toward purchasing a new office.

The welfare organization gives out food, clothing and furniture to qualified families and also provides counseling, through the cooperation of the entire membership of the ministerial alliance.

Each day one of the 22 member ministers is on duty at the office to offer personal guidance. Each minister usually is at the office once a month.

The current board of directors president is William Harris, first vice president is T. W. Schaefer and second vice-president is Clarence Baunmeyer, treasurer is C. F. Reimers and secretary is Mrs. Irma Taylor.

Mrs. Marie Whittle is office secretary.

WINTER DAMAGE to streets being repaired with operation of the city's oil spreader.

\$28,000 Low Bid For Jerden Avenue Project

A \$28,742 bid from A. H. Seebold Construction Co. for improvement of two blocks of Jerden avenue was accepted by Granite City council members Monday night, and a resolution is to be prepared to be forwarded to the state highway department for approval of a contract and expenditure of motor fuel tax funds.

Also accepted was a 41-cent per square foot bid from Ellsworth Concrete Co. of Granite City for installation of 2000 square feet of sidewalk along the west side of West 25th street from Missouri avenue to the new junior high school building near Ohio avenue.

Other bidders on the Jerden avenue project were G. H. Sternberg & Co., \$29,970; Reese Construction Co., East St. Louis, \$30,110; Grand Wood Co. of Kirkwood, Mo., \$26,955, and William Wiess Co., \$41,328. Other bids received for the sidewalk job were 48 cents by L. E. Patton Co., and 60 cents a square foot by Diepholz Construction Co., Venice. The sidewalk, four feet wide and four inches thick, is to cost \$820.

Alderman Samuel Whitmer, chairman of the Street and Alley Committee, said with 1960-61 budget preparations underway, the city should obtain bids for the annual curb and sidewalk repair program. Last year the city budgeted \$20,000 for the work. The comptroller was authorized to call for bids.

Whitmer said the amount of work probably could be reduced during the new year.

Final approval was received from the state highway department for use of motor fuel tax funds for removal of abandoned street car tracks on Washington avenue between 24th street and Jerden avenue. The low bid was \$19,650, submitted by A. H. Seebold Co.

Alderman Camer Skubish asked for council consideration to place curbs in the 2600 block of Sheridan avenue, which is not included in the MTP project for two other blocks of the same street. He said the construction would amount to only about a half-block and is greatly desired by the property owners.

Several other solons were quick to point out they also have half-block sections of streets without curbs and gutters.

Eighth Ward Alderman Emerald Daves was first to reply, and he was followed by First Ward Alderman Frank Nemeth. No action was taken.

Skubish also requested preparation of an ordinance to set a six-ton weight limit for East 27th street; while Second Ward Alderman Robert Gaughan asked for an ordinance to replace present "hazard" signs at three August street intersections with "yield" signs. He said the street was being used by state driver's license examiners to conduct tests for beginning drivers and that he was certain "hazard" signs are no longer honored by the state. "The signs are all rusty anyway, and you can't read them," he added.

Referred to the city attorney and city plumbing inspector were requests by Thomas Papp and Rebeck, who recently built homes on Pine street adjacent to the city limits, to connect the houses onto the Nameoki sanitary sewer system, paying the regular fees.

The city is to study a report of damage to a private driveway at the home of Frank Graf, 2463 Lynch avenue. Alderman Frank Veece said the damage was caused by sanitation department truck which was using the driveway as a turn-around.

Permission was granted Ray Horn to install a 30-foot driveway at his auto body repair shop, 1822 Grand avenue.

Nameoki Sewer Fund Reports On Display

Monthly financial reports for Granite City's seven special accounts for the Nameoki sanitary sewer project were presented to the council Monday night and were accepted, to be placed on file for public display in the comptroller's office at the city hall.

A breakdown of the seven accounts, showing receipts, disbursements and March 31 balances in that order, follows:

Nameoki area construction fund — \$1,419,054, \$1,403,150, \$15,904.

Sewer extension fund — \$47,245, \$14,844, \$32,401.

Area No. 2 construction fund — \$403,528, \$392,824, \$10,704.

Special sewer construction fund — \$79,100, \$69,105, \$9995.

Nameoki area sewerage fund — \$473,905, \$296,083, \$177,822.

Area No. 2 sewerage fund — \$103,834, \$46,293, \$57,541.

Nameoki area sewer reserve fund — \$20,392, none, \$20,392.

Get up with the lark, but don't keep the lark awake all night.

City To Build Two Stairways

Two stairways are to be built by the Granite City street department to correct an inconvenience created more than 25 years ago.

The stairways are to be cut into four-foot embankments on both sides of the 2600 block of Illinois avenue, where for years persons who have parked their cars in the middle of the block have been forced to walk virtually to the end of the block to get onto the sidewalk.

Requests for the stairs, to be located in the middle of the embankments on both sides of the street, were made by Aldermen Paul Rutledge and Donald Partney.

Would Like Visitors

Over A Year In Hospital, Ailing Girl Returns Home

Brenda Kay Sheffer would like some visitors.

The nine-year-old daughter of Mr. and Mrs. Lee W. Sheffer, 1726 Delmar avenue, has arrived home from the hospital for the longest scheduled stay since she was first hospitalized for a double kidney infection in November 1958. She will return to the hospital in several months.

"Her spirits are wonderful," Mr. Sheffer said. "What she would really like is to see some of her school playmates."

Brenda was in the third grade at Emerson school when the infection, which she had since early infancy, resulted in her being admitted to St. Elizabeth Hospital in March 1959. The youngster was transferred to Jewish Hospital, St. Louis, where she has remained, on and off, since.

She has undergone four operations during this time and has an artificial tube in her body which relieves some of the work of her lungs. She has been in the hospital for at least six months. Mr. Sheffer said. Because of it, she is unable to take part in active play but is able to be up and like to play in the yard.

Eventually the infection will

be cured but doctors are unable to predict when. At the present time, her condition is improved.

According to Mr. Sheffer, who is in the advertising specialty business, Brenda's ambition in life is to be a nurse. Her other hobbies are sewing, gardening and fishing.

GC Students To Report Legislature Activities

Two Granite City teenagers will serve as youth reporters when the Illinois State Legislature convenes at the state capital in Springfield tomorrow and Saturday.

They are Chris Karandjoff, 16, and Emily Donoff, 15, daughter of Mrs. Donoff. Chris is a member of the Illinois State Historical Society, appointed by Gov. Stratton in July 1958, had charge of Illinois observance of the sesquicentennial of Lincoln's birth.

Material is presented for teachers through high school, says Clyde C. Walton, Illinois State historian and secretary of the commission. The committee will gather information while the legislature is in session.

Miss Karandjoff's work will be related to the committees on public welfare, health and sanitation with over 40 bills submitted by delegates to the convention are to be discussed.

Sponsored by the Illinois Association of YMCA's, the Youth Legislature's purpose is to give teenagers a better understanding of the workings of government.

Single copies of the 1960 Illinois Official Highway Map are available on request to the Illinois Department of Transportation, 406 State Capitol, Springfield, Ill., or at the information desk in the lobby of the Illinois State Office Bldg., 180 North LaSalle St., Chicago. In addition to complete highway information, including new tollways and traffic interchanges, the map includes detailed drawings of routes in metropolitan areas and a fund of information and statistics.

A winter deer inventory by helicopter indicates that some Illinois counties are closed to deer hunting although they have deer populations large enough to hunt, the state Department of Conservation announced today.

A DeKalb county census counted 375 deer, 104 on one farm. The remaining deer were on a small number of farms throughout the county. The next day 175 deer were seen concentrated on a few farms in Boone county. The concentration is due to the annual 20 per cent increase in Illinois deer herds where losses through hay mowing operations, poaching and harassment by dogs are kept to a minimum. A section of Illinois running from the mouth of the Kaskaskia river to the northeast have increasing deer herds, and farmers are reporting more crop depredation each year.

Chudholes Cause Damage

Solons Refuse To Buy New Tires For Private Auto

Council members refused to act on a recommendation by City Atty. William Beatty to pay \$45 damages to two motorists who damaged tires and wheels on their autos by striking a foot-deep, water-filled hole on Johnson road near the drainage ditch bridge.

By a 10-to-3 vote, the council placed the attorney's letter on file, after a lengthy debate during which it was decided not to set a precedence.

When questioned by council members, Beatty said there remained a big question as to whether there were two holes or just one and if the city knew of the hole in advance of the misadventure.

The debate centered on the city's ability to pay such claims and the probability of a flood of requests for city payment for tire and wheel damage to private automobiles.

"We should be cautious," Alderman Casmer Skubish advised, "and the city should not be pointed out the city should not be expected to pay for such damage and could not afford it."

Beatty suggested the city might investigate insurance to cover such claims, but was told by Beatty the cost would be prohibitive.

Alderman Donald Partney remarked that the city for a while was being sued almost constantly by persons falling on sidewalks, and that to begin paying auto damage claims would result in a siege of such claims.

Referred to City Atty. Beatty was notice of a \$10,000 lawsuit filed against the city because of injury suffered by a child in a fall over a sidewalk flower box which was in front of Beatty's law office. The law firm of Moran & Beatty and the Associated Retailers also are defendants in the case, along with the city.

In the suit, the city is charged with negligence in keeping public sidewalks clear of obstacles. The suit was filed for Deborah Martin, six-year-old daughter of Churchill Martin. Rural Route 2, near the fall over, the box on March 15.

Two Charges Filed
Thomas O. Burcham, 24, of 2800 Denver street, was arrested Tuesday evening at 19th and Adams streets by Granite City police on charges of speeding and operating a motor vehicle without a city auto license. He was freed on \$25 cash bail.

C. Of C. Practical Politics Course To Begin Monday

An action course in practical politics, sponsored by the Tri-Cities Chamber of Commerce, has attracted 17 local business leaders who will meet for two-hour sessions at 7:30 a. m. each Monday, starting next week.

John McBride, vice-president and plant manager for Union Starch & Refining Co., arranged the course and has scheduled the nine sessions at the C. of C. office conference room. He stressed the course is non-partisan and is designed to acquaint businessmen with all phases of politics and to provide them with information on candidates.

McBride explained the course is carried out on a national scale by the Chamber of Commerce, and there are still a few vacancies for the local sessions, available to C. of C. members or representatives of civic groups.

One of the final pieces of equipment is lowered into place at the Dresden Nuclear Power Station near Mt. Morris, the world's first privately financed nuclear power plant.

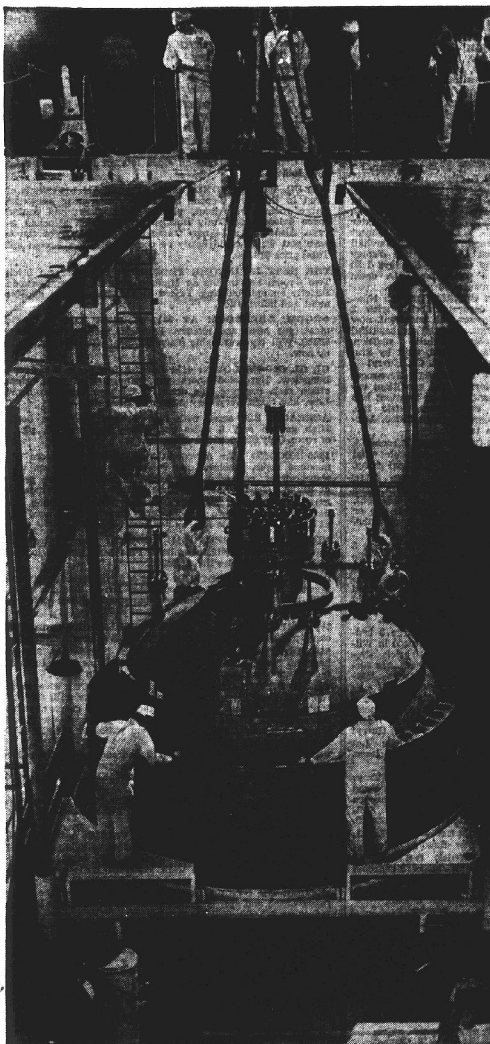

ILLINOIS POWER helps harness the atom

Electricity from the atom is flowing for the first time to users of electricity in northern Illinois!

Nuclear electricity became a reality for northern Illinois people and businesses as the Dresden Nuclear Power Station recently went "on the line." The first full-scale, privately-financed nuclear power plant in the world, Dresden contains the largest nuclear power reactor in service in the United States.

This plant is owned and operated by Commonwealth Edison Company. It was built by General Electric Company at a cost of \$45,000,000. Illinois Power Company and seven other companies, known as Nuclear Power Group, Inc., contributed an additional \$15,000,000 to the research and development expense of the new type plant. Illinois Power's future construction program will profit from the know-how its engineers have gained during the construction and operation of Dresden.

Illinois Power's investment in Dresden is an investment in your future. Production of electricity from the atom is one more step in our constant efforts to help you live better electrically... and to keep your electric service one of the world's greatest bargains.

Appliance Repairmen

Union Seeking Members

Expansion of membership in
local 841, International Union
of Electrical, Radio and Machine
Repairmen is being sought in the
Quad-City area. It was learned
today from Eugene A. Kise of
Tri-City Radio Co., secretary.

The local, which has head-
quarters in the Labor Temple
here and meets at 7:30 p.m. on
the second Tuesday of each
month, has membership in 11
shops in the local area and is
seeking to increase membership.
Kise said.

"The Tri-City area has long
been noted for its strong belief
in unions," Kise said, "and we
who are in the service business
here for appliances such as tele-
vision, radio and high-fi sets, re-
frigerators and washing ma-
chines, are trying to complete a
full organization in order to pro-
vide better service and a source
for acceptance of any service
complaints."

Kise explained the union plans
to appoint a three-member com-
mittee to investigate all com-
plaints from customers.

Walton Lost
Raymond Barr, 600 East
Chain of Rock road, reported to
Granite City police Monday eve-
ning that he had lost his wal-
let containing his driver's license
and valuable papers.

EASY CREDIT
Too many people today live
on the theory that they can af-
ford anything that they can
charge.

A period of thirty (30) days sub-
sequent to the opening of bids.
